Re: FOIA-2009-000173

Dear Ms. Gillespie:

This is in further response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for information regarding the nuclear power plant project in Southwestern Idaho that is being built by Alternate Energy Holdings, Inc.

Inquiries were made to several offices within the DOE, and it was determined that the documents you requested are under the jurisdiction of the Nuclear Regulatory Commission (NRC). For this reason, I have transferred your request to the NRC for action.

For further information about your request, you may contact Ms. Donna Sealing, FOIA Officer, Nuclear Regulatory Commission, 11555 Rockville Pike, Mail Stop T5F11, Rockville, MD 20852. You also may call her on (301) 415-7169.

I appreciate the opportunity to assist you with this matter. If you have any questions about this correspondence, you may contact Ms. Vera Dunmore of my staff on (202) 586-4047.

Sincerely,

Joan Ogbazghi
