Re: FOIA-2009-000183

Dear Mr. Nichols:

This is in further response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for all geographic information system data used to prepare the report entitled "Assessing the Potential for Renewable Energy on Public Lands".

Any documents responsive to the request that may exist at the Department are under the jurisdiction of the Golden Field Office of the Department. For this reason, I have transferred your request to that office for appropriate action. Upon completion of the search by that office, they will provide a response to you.

In your letter, you requested a waiver or reduction of fees. With respect to fees, the Golden Field Office will inform you about any fees incurred in the processing of the request.

If you have any questions about the processing of the request, please contact Ms. Anna Martinez-Barnish, FOIA Officer, U.S. Department of Energy, Golden Field Office, 1617 Cole Boulevard, Golden, CO 80401. You may also call her on (303) 275-4927.

You will not receive any further correspondence from the DOE Headquarters about this matter. If you have any questions about this correspondence, you may contact Ms. Brenda Washington of my staff on (202) 586-6039.

I appreciate the opportunity to assist you with this matter.

Sincerely,

Alexander C. Morris
