Re: FOIA-2009-000146

Dear Mr. Feist:

This is in further response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for the winning proposal for RFP # 67641.

Any documents that may exist at the DOE that are responsive to the request are under the jurisdiction of the Pacific Northwest Site Office (PNSO). However, I have been informed by Mr. Michael Talbot, the FOIA Officer at that location that your request had also been received by his office and is being processed. Mr. Talbot will provide a response about the releasability of any responsive documents that are located.

This is the final response that you will receive about your request from this office. You may contact Ms. Vera Dunmore of my staff on (202) 586-4047 with any questions about this letter.

I appreciate the opportunity to assist you.

Sincerely,

Alexander C. Morris
