Record Description:

am seeking a Copy of the grant application from Verenium to the DOE for the project to Speed Enzyme Development for Cellulosic Ethanol Production. I am also seeking a copy of the grant application for the grants described in the February 28, 2007 DOE press release, "DOE Selects Six Cellulosic Ethanol Plants for Up to $385 Million in Federal Funding."

Six projects were funded:
Abengoa Bioenergy Biomass of Kansas, LLC of Chesterfield, Missouri, up to $76 million.

ALICO, Inc. of LaBelle, Florida, up to $33 million.

BlueFire Ethanol, Inc. of Irvine, California, up to $40 million.

Broin Companies of Sioux Falls, South Dakota, up to $80 million.

Iogen Biorefinery Partners, LLC, of Arlington, Virginia, up to $80 million.

Range Fuels (formerly Kergy Inc.) of Broomfield, Colorado, up to $76 million.

To clarify, what I am seeking is the application from the respective companies. I am not seeking any proprietary information on the technology involved, simply the applications that were submitted.

Preferred Form or Format: electronic .pdf

Type of Requester (if provided):

Affiliated with a private corporation and seeking information for the use in the company's business.

Fees and Fee Waivers:

I agree to pay up to a specified amount for fees. Enter amount $ ~~500~~ 200.00

Waiver or Reduction of Fees Factors (if provided):

Expedited Processing: FOIA-2009-000231

Specific Justification for Expedited Processing:

3/31 Requester stated that he is willing to accept the documents minus any Proprietary data. He also changed his fee agreement to $200.00, and would like to be notified if fees will exceed that amount.
