Record Description:

I request copies of the work for others contracts entered into between Brookhaven National Laboratory ("BNL") and two commercial entities; namely, the work for others contracts between BNL and USi as well as BNL and Utilise. The contracts relate to use of a Dual Trap Analyzer, PoleCATs, or other similar technology used to detect underground leaks. My understanding is that the Utilise contract is from 2008; the USi contract may have been entered into in the 1990s.
