Dear HR/FOIA Officer,

This is a FOIA request. Please forward this letter to your FOIA office. I'm seeking HR related records in regard to the information below. In particular, I'm seeking the submitted documents that were supplied by the applicant that was hired.

Title Attorney-Adviser (General) Announcement No.: none Date Open: 9/8/2008 Date Close:10/6/2008

If KSA statements were required or recommended for the above position and were supplied, please forward those to me. If the selection was made based on responses to a questionnaire, please release documents that contain the questions and responses. In all cases if resumes were required, please forward those. If selection was made on basis of a structured interview, do not process the request further and send no documents other than correspondence. If selection was made in part by computer program decision, forward the resume to me.

Take care to redact personal identifiers. Do not forward documents heavy with personal information however redacted.

The requested documents are small in number, limited in scope and precisely described. These documents involve fairly recent hires so the records should be active and not retired and should be easily accessed during the normal course of business. These documents can be made available and processed in less than 30 minutes and should therefore have no fee or cost assigned to them. That is they should be provided for free. This request is a commercial request and the documents will be used in a commercial manner. You may receive more than one request from me and you may try to combine these requests into one request but I insist that you do not. The requests are neither linked nor interdependent . The requests are similar and I make many requests for similar documents but that is not a request. The whole they are part of is not a request, that whole is a business. I will appeal that decision and you will have to elucidate exactly what the request is and you will be unable to so. Delay letters will be forwarded to the relevant Inspector General as I receive them. Requests for outrageous fees will be forwarded to the relevant IG, government oversight organizations and the news media.

You may fax the documents and correspondence to 888-898-5739 until May 27th, or email the images and correspondence or send ground mail to my mailing address. I prefer email as it promotes Green business.

Please contact me via email if you have any questions.
