Re: FOIA-2009-000275

Dear Ms. Macfarlane:

This is in further response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for applications received by the DOE under funding opportunity number DE-FOA-0000026.

Any documents responsive to the request that may exist at the Department are under the jurisdiction of the National Energy Technology Laboratory (NETL). For this reason, I have transferred your request to that office to conduct a search of its files for responsive records. Upon completion of the search by that office, they will provide a response to you.

In your letter, you agreed to pay up to $500.00 for costs associated with the processing of the request. With respect to fees, NETL will notify you of any fees incurred to process the request.

If you have any questions about the processing of your request by NETL, you may contact Ms. Ann Dunlap, FOIA Officer, National Energy Technology Lab, P.O. Box 10940, M/S 922/M210, Pittsburgh, PA 15236-0940. You may also call her on (412) 386-6167.

You will not receive any further correspondence from the DOE Headquarters about this matter. If you have any questions about this correspondence, you may contact Ms. Brenda Washington of my staff on (202) 586-6039.

I appreciate the opportunity to assist you with this matter.

Sincerely,

Alexander C. Morris
