Adam -

Per our conference today, we provided you a general overview of the DOE Loan Guarantee

Program. Specifically, we discussed general information such as interest rates, the Federal Financing Bank, applicable fees, superior rights, and National Environmental Protection Act requirements.

We did not discuss information specific to any of our projects.

Based on our call and your concurrence, we will be closing out the FOIA request you submit on April 16, 2009 (FOIA-2009-000274). Please confirm via email that this is accurate.

If you require further assistance, please contact me at 202-586-2983.

Thank you.

Mr. Yoxtheimer:

Per the Freedom of Information Request you submitted on April 16, 2009 (FOIA-2009-000274), you requested the "DOE Loan Guarantee Reports on the recent Solyndra transaction, specifically you requested to see the DOE's terms and conditions of the program. This includes the formula to determine interest rates for new loan guarantees and the formula to determine cost of the loan guarantee."

I would like to schedule a conference call with you and members of our staff to discuss your FOIA request. We are currently available on Friday June 12th between the hours of 1:00pm-4:00pm. Please let me know if you available within this time period and what time you would like to have the call. If June 12th does not work for you, I can schedule a meeting for the week of June 15th.

Thank you,

Jayne Faith
