Categorical Exclusion Determination Form

Program or Field Office: Energy Efficiency and Conservation Block Grants

Project Title: Forest County Potawatomi Community Street Lighting Project

Location: Wisconsin

Proposed Action or Project Description: American Recovery and Reinvestment Act: ☒

The proposed action would involve the provision of high-efficiency lighting on the main thoroughfare in Stone Lake, which connects a number of tribal facilities and is referred to a "Everybody's Road." Funds would be used to cover the additional incremental cost of installing energy-efficient lighting instead of the conventional 180-watt metal halide light fixtures in the original plan for lighting the road. Two energy-efficient lighting options would be assessed: (1) LED 55-watt or 80-watt energy-efficiency lighting or (2) stand-alone solar fixtures.

Categorical Exclusion(s) Applied:
