Record Description:

I request a copy of documents containing the following information be provided to me and my firm New Energy Finance Ltd.:

* All applications submitted under the cash grants program created by section 1603 of the American Recovery and Reinvestment Act of 2009 to date and on going-forward basis. My firm will gladly receive this information in digital form, either via .pdf or other formatted documents. A complete list of grant applications listing when such applications were received, where the projects seeking grants are located, and which companies are developing those projects, as well as other details.

* All documents related to grants dispersed under the cash grant program created in section 1603 of the American Recovery and Reinvestment Act of 2009. Treasury is scheduled to begin issuing these grants after August 1.

* All periodic project performance reports to be provided by 1603 grant recipients back to Treasury after their projects have been successfully commissioned. Again, the recipients are supposed to submit these on an ongoing basis. My firm will make whatever arrangements are necessary to receive these documents from Treasury on a regular basis.

Preferred Form or Format: electronic form, pdf

Type of Requester (if provided):

Affiliated with a private corporation and seeking information for the use in the company's business.

Fees and Fee Waivers:

I agree to pay all applicable fees.

Expedited Processing:

I believe a compelling need exists to warrant expedited processing because there is:

an urgency to inform the public concerning actual or alleged Federal Government activity exists (this option available ONLY for requesters primarily engaged in disseminating information)
