Record Description:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, I request that photocopies of the following records be sent to me at the above address:

All documents related to Award or Grant No. DE-AC02-76ER01338, including all program or other funding directive announcements, calls for proposals, program or funding rules, actual applications or proposals, awards of any grants, grants, non-final reports (quarterly, interim, annual, etc.), final reports, any other correspondence between any grant or award recipient and your agency related to the grant, and documents either announcing or listing this grant or cataloging this grant or its associated proposals or reports. Please also include documents specifying the terms of the grant, including whether and how the proposal and any reports would be made publicly available and when.

I believe at least one grant under Award No. DE-AC02-76ER01338 was awarded to Chris Somerville as Principal Investigator or to the MSU-DOE Plant Research Laboratory at Michigan State University.
If you regard any of the records requested as exempt from disclosure, please segregate the nonexempt portions and release those. In addition, if any records or portions thereof require internal review on the issue of exemption, please release any "clearly releasable" records (limited or redacted as necessary) first, pending such determination. In the event of a denial to release any records, please include in your letter enough information to appeal the denial. In accordance with the minimum requirements of administrative due process, this information should identify: (i) the subject matter, originator, addressee, date and length of the withheld material, and (ii) the legal and factual basis for the denial.
Additionally, I would like to request that this FOIA request be processed on an expedited basis. The records and documents requested are highly relevant to an ongoing litigation in the United States District Court of Deleware.
I agree in advance to pay search and copying fees up to $500. If you expect the fees to exceed this amount, or if you need further explanation as to the nature or scope of this request, please contact me at the telephone number above.
Thank you for your assistance with this request.
