Re: Freedom of Information Act Request

Dear Secretary:

This is a request under the Freedom of Information Act. I hereby request copies of the records during the last ten years regarding how many property owners have had their property rights terminated as a result of a utility company exercising their right to access their property. Please also provide records of any property owners during the last ten years who have successfully been able to retain their rights to their property, where the utility had to relocate their equipment.

As the FOIA requires, please release all reasonably segregable nonexempt portions of documents.

In order to help to determine my status to assess fees, you should know that I am a college student at and this request is being made for credit in my Business Law class. I request a waiver of all fees for this request. If you estimate there will be fees associated with this request, please contact me by email at cynthia.womer@mymail.centralpenn.edu prior to fulfilling this request.

If you have any questions regarding this request, please contact me at the email listed above. I also am requesting to have expedited processing of this request to comply with the time constraints of my law class. I look forward to receiving your response. Thank you in advance for your consideration of this request.

Very truly yours,

Cindy Womer
