Re: Freedom of Information Act Request

Dear Mr. Morris:

This is to file a Freedom of Information Act Request for the following. Attached is a letter to me from the U.S. Department of Energy ("DOE") dated January 31, 1996. It informed me that DOE's Office of Health Studies was conducting an investigation of brain cancers among DOE workers employed at the Forrestal Building in Washington, D. C. and that I had been identified as a potential case. My recollection is that I provided DOE the requested Release of Medical Information Form to allow investigators to review my medical records. I do not recall ever hearing back from DOE on the results of the study. This is to request that you provide me those results.

If you have any questions, I can be reached at

Sincerely,

6/22 - Requester agrees to pay fees up to $20.00
Please notify if it will exceed.
Requesting send IDs.
