Record Description:

There exists a sole-source contract between the DoE's NNSA office and Randolph Construction Services to provide a Central Alarm Station (CAS) Communications (COMMS) software package in partnership with Lockheed Martin. I need to see a copy of that contract.

Preferred Form or Format: PDF

Type of Requester (if provided):

Affiliated with a private corporation and seeking information for the use in the company's business.

Fees and Fee Waivers:

I request a waiver or reduction of fees.

Waiver or Reduction of Fees Factors (if provided):

1. The subject of the request: Whether the subject of the requested records concerns "the operations or activities of the government."

We believe the contract represents unfair competition activities by the DoE in the commercial marketplace

2. The informative value of the information to be disclosed: Whether the disclosure is "likely to contribute" to an understanding of government operations or activities.

We genuinely want to understand how a contract like this could be legally secured with the DoE

Expedited Processing:

Specific Justification for Expedited Processing:
