Record Description:

All records and documents related to the application by Oncor Electric Delivery Company LLC (Oncor) for funding by the U.S. Department of Energy (DOE) pursuant to the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5, for the following projects:

- $200 million for Oncor's "Smart Texas" advanced meter system initiative,
- $58 million for telecommunications network investments to support smart grid initiatives,
- $58 million for distribution automation to improve service and reliability, and
- $3.5 million for a real-time dynamic transmission line study.

Oncor's applications for DOE funding were filed on August 25, 2009 and July 17, 2009 apparently under the Smart Grid Investment Grant Program, DE-FOA-0000058, and/or other programs administered by the DOE's Office of Electricity Delivery and Energy Reliability.

Preferred Form or Format: PDF (email transmission)

Type of Requester (if provided):

An individual seeking information for personal use and not for commercial use.

Fees and Fee Waivers:

I agree to pay up to a specified amount for fees. Enter amount $ 100

Waiver or Reduction of Fees Factors (if provided):

Expedited Processing:

I believe a compelling need exists to warrant expedited processing because there is:

an urgency to inform the public concerning actual or alleged Federal Government activity exists (this option available ONLY for requesters primarily engaged in disseminating information)

Specific Justification for Expedited Processing:

Expedited processing of this request is necessary for the timely submission of public comments to the DOE prior to the grant of American Recovery and Reinvestment Act funds to
