Mr. Morris,

???? I am a former employee under Information, Inc. from April 2007 to October 2007. I provided support services to the DOE Office of Fossil Energy under the DOE contract to Information, Inc. Please advise if there are any charges for this information. I would like copies of the most recent documents and the dates mention above 4/07-10/07. I greatly appreciate your assistance with this request.

Sincerely,

Marlie Praisner?
