There may be some confusion with sending your FOIA request to me.? I have influence over the Idaho National Lab and DOE-Idaho only.? Are these contracts with Idaho National Lab, Idaho Cleanup Project or the Advanced Mixed Waste Treatment Project?

?

If they are not, you may consider routing your request to DOE-HQ, Attn: Morris, Alexander [Alexander.Morris@hq.doe.gov]

Joan

Thank You for your quick response and attention to this matter Clayton.

?

I want to give you a heads up that the DOE Pacific Northwest Site Office will tell you that the payrolls I am requesting are the property of the contractor's and the Batelle Memorial Institute.? Not DOE.

?

Batelle Memorial Institute will say that they are a Private company managing and operating the Pacific Northwest National Laboratory (PNNL) for the Department of Energy's Pacific Northwest Site Office.? Any requests for information pursuant to the Freedom of Information Act must be submitted through the DOE.? Not Batelle.

?

The information Northwest Fair Contracting Association is requested has been requested from both DOE Pacific NW Site Office and Batelle/ PNNL.? Both entities?have Not supplied? NWFCA the requested information and instead are pointing at "each other" as the responsible provider of the information We seek.

If you need anymore info Please feel free to contact me at 888-538-3573, that is our toll free number.
