Record Description:

All written and electronic communications between DOE headquarters and Savannah River Site managing contractor Savannah River Nuclear Solutions concerning the firm Brooks and Brooks from Jan. 1, 2009 to Sept. 22, 2009.

All written and electronic communications between Savannah River Site managing contractor Savannah River Nuclear Solutions and DOE headquarters concerning the firms Brooks and Brooks OR work conducted to disprove claims raised by Brooks and Brooks during a visit Savannah River earlier this year.

All written and electronic communications between the firm Brooks and Brooks and DOE headquarters from Jan. 1, 2009 to Sept. 22, 2009.

All written and electronic communications between the firm Brooks and Brooks and Savannah River Site managing contractor Savannah River Nuclear Solutions from Jan. 1, 2009 to Sept. 22, 2009.

Preferred Form or Format:

Type of Requester (if provided):

A representative of the news media affiliated with ExchangeMonitor Publications and the request is made as part of news gathering and not for commercial use.

Type of Media (if provided):

Other: Trade Publication

Fees and Fee Waivers:

I agree to pay all applicable fees.

Expedited Processing:

I believe a compelling need exists to warrant expedited processing because there is:

an urgency to inform the public concerning actual or alleged Federal Government activity exists (this option available ONLY for requesters primarily engaged in disseminating information)

 FOIA-2009-000793

Joan

Specific Justification for Expedited Processing:

The information requested involves Recovery Act funding at the DOE Savannah River Site.
