Department of Energy
Washington, DC 20585

FEB 24 2010

MEMORANDUM FOR SCOTT BLAKE HARRIS
GENERAL COUNSEL

FROM: CATHY ZOI
ASSISTANT SECRETARY
ENERGY EFFICIENCY AND RENEWABLE ENERGY

SUBJECT: Headquarters Energy Efficiency and Renewable Energy 2010 Annual National Environmental Policy Act Planning Summary Report

In accordance with Department of Energy Order 451.1B and the Secretarial Policy on the National Environmental Policy Act (NEPA), attached is the Headquarters Energy Efficiency and Renewable Energy 2010 Annual National Environmental Policy Act Planning Summary. The NEPA Planning Summary describes the status of ongoing, Headquarters-related NEPA compliance activities; potential environmental assessments to be prepared in the next 12 months; and potential Environmental Impact Statements to be prepared in the next 24 months.

Energy Efficiency and Renewable Energy has a very large NEPA workload associated with the Recovery Act; however, the associated Environmental Assessments and Environmental Impact Statements will be reported in the Golden Field Office annual report.

If you have any questions or concerns regarding the contents of this document, please contact Othalene Lawrence, Energy Efficiency and Renewable Energy NEPA Compliance Officer, at (202) 586-8596.

Annual NEPA Planning Summary Status of Ongoing NEPA Compliance Activities: Environmental Impact Statements

Office of Energy Efficiency and Renewable Energy

31-Jan-10

*Title, Location	Estimated Cost	Estimated Schedule		Description
Solar Energy Development on BLM-Managed Public Lands in the Western United States	$2,456.4 ($K) - original; $3,003 ($K) -revised	Determination Date:	7-Dec	The DOE and BLM will co-lead with cooperating agencies in preparing a programmatic environmental impact statement to identify the environmental issues associated with the development of commercial solar energy projects and supporting infrastructure including electricity transmission lines. The Golden Field Office provides support for the documentation and scheduling of the Programmatic Environmental Impact Statement.
		NOI:	8-May	
		Scoping:	Scoping 1: Jun-Jul- 08 Scoping 2: Jul-Sep-09	
		Draft	(scheduled) Oct-10	
		Hearings	TBD	
		Final	TBD	
		ROD	TBD	
	Total Estimated Cost			
	$3,003 ($K)			

*Please include projected NEPA milestones, if planned

Annual NEPA Planning Summary Environmental Assessments
Expected to be Prepared in the Next 12 Months

Office of Energy Efficiency and Renewable Energy

31-Jan-10

*Title, Location	Estimated Cost	Estimated Schedule (**NEPA Milestones)		Description
Energy Conservation Standards for Small Electric Motors	$25-$35($K)	Determination Date:	Nov-09	Assesses potential environmental impacts associated with DOE's proposed regulations that would establish new energy conservation standards for small electric motors. (Office of Building Technologies)
		Transmittal to State:	N/A	
		EA Approval:		
		FONSI:	Feb-10	
Energy Conservation Standards for Residential Water Heaters, Direct Heating Equipment, and Pool Heaters	$25-$35($K)	Determination Date:	Dec-09	Assesses potential environmental impacts associated with DOE's proposed regulations that would establish new energy conservation standards for residential water heaters, direct heating equipment, and pool heaters. (Office of Building Technologies)
		Transmittal to State:	N/A	
		EA Approval:		
		FONSI:	Mar-10	
Energy Conservation Standards for Residential Refrigerators, Refrigerator-Freezers, and Freezers	$25-$35($K)	Determination Date:	Jul-10	Assesses potential environmental impacts associated with DOE's proposed regulations that would establish new energy conservation standards for residential refrigerators, refrigerator-freezers, and freezers. (Office of Building Technologies)
		Transmittal to State:	N/A	
		EA Approval:		
		FONSI:	Jan-11	
Energy Conservation Standards for Fluorescent Lamp Ballasts	$25-$35($K)	Determination Date:	Oct-10	Assesses potential environmental impacts associated with DOE's proposed regulations that would establish new energy conservation standards for fluorescent lamp ballasts. (Office of Building Technologies)
		Transmittal to State:	N/A	
		EA Approval:		
		FONSI:	Jun-11	
Energy Conservation Standards for Residential Furnaces and Boilers	$25-$35($K)	Determination Date:	Sep-10	Assesses potential environmental impacts associated with DOE's proposed regulations that would establish new energy conservation standards for residential furnaces and boilers. (Office of Building Technologies)
		Transmittal to State:	N/A	
		EA Approval:		
		FONSI:	May-11	
Energy Conservation Standards for General Service Fluorescent Lamps and Incandescent Reflector Lamps	$25-$35($K)	Determination Date:	Dec-10	Assesses potential environmental impacts associated with DOE's proposed regulations that would establish new energy conservation standards for general service fluorescent lamps and incandescent reflector lamps. (Office of Building Technologies)
		Transmittal to State:	N/A	
		EA Approval:		
		FONSI:	Aug-11	
Energy Conservation Standards for Clothes Dryers and Room Air Conditioners	$25-$35($K)	Determination Date:	Aug-10	Assesses potential environmental impacts associated with DOE's proposed regulations that would establish new energy conservation standards for clothes dryers and room air conditioners. (Office of Building Technologies)
		Transmittal to State:	N/A	
		EA Approval:		
		FONSI:	Jun-11	
Energy Conservation Standards for Residential Central Air Conditioners and Heat Pumps	$25-$35($K)	Determination Date:	Sep-10	Assesses potential environmental impacts associated with DOE's proposed regulations that would establish new energy conservation standards for residential central air conditioners and heat pumps. (Office of Building Technologies)
		Transmittal to State:	N/A	
		EA Approval:		
		FONSI:	Jun-11	
Energy Conservation Standards for Microwave Ovens	$25-$35($K)	Determination Date:	Sep-10	Assesses potential environmental impacts associated with DOE's proposed regulations that would establish new energy conservation standards for . (Office of Building Technologies)
		Transmittal to State:	N/A	
		EA Approval:		
		FONSI:	Mar-11	

Energy Conservation Standards for Battery Chargers and External Power Supplies	$25-$35($K)	Determination Date: Transmittal to State: EA Approval: FONSI:	Dec-10 N/A Jun-11	Assesses potential environmental impacts associated with DOE's proposed regulations that would establish new energy conservation standards for battery chargers and external power supplies. (Office of Building Technologies)
Reduction in Fossil Generated Energy Consumption of New Federal Buildings	$25-$35($K)	Determination Date: Transmittal to State: EA Approval: FONSI:	Feb-10 TBD TBD TBD	Assesses potential environmental impacts associated with DOE's proposed rulemaking to reduce fossil generated energy consumption in new Federal Buildings. (Office of Federal Energy Management Programs)
Energy Efficiency and Sustainable Design Standards for New Federal Buildings	$25-$35($K)	Determination Date: Transmittal to State: EA Approval: FONSI:	Apr-09 TBD TBD TBD	Assesses potential environmental impacts associated with DOE's proposed rulemaking to add sustainable design requirements for new Federal buildings to 10 CFR 435 Subpart A in accordance with Section 109 of the Energy Policy Act of 2005 and section 433 of EISA-2007. (Office of Federal Energy Management
	Total Estimated Cost			
	$300-420($K)
