Awardee

Navarro Research and Engineering, Inc., 669 Emory Valley Rd., Oak Ridge, Tennessee 37830, United States

Award Amount

$72,833.97

Description

RECOVERY ACTION: THIS NOTICE IS PROVIDED FOR INFORMATION PURPOSES ONLY. THIS OPPORTUNITY IS AVAILABLE ONLY TO THE CONTRACTOR UNDER THE BLANKET PURCHASE AGREEMENT DE-AB06-08RL14871, DUNS # 005929810. This is a time-and-materials contract. This procurement was not awarded as a fixed-price contract because it was not possible at the time of award of the contract to estimate accurately the extent or duration of the work or to anticipate costs with any reasonable degree of confidence. The high degree of complexity and uniqueness of the requirement to the Government did not make a fixed-price contract suitable (FAR16.601(c)). This BPA call is for American Recovery and Reinvestment Act project management support for the Contract Administration Team and to the Integrated Project Teams to assist with the ARRA work scope acceleration in the Central Plateau.
