Subject: GE Evendale Facilities Classification

Patricia R. Worthington, PhD
Director, Office of Health and Safety (HS-10)
US Department of Energy
1000 Independence Avenue, SW.
Washington, DC 20585

Dear Dr. Worthington,

Under the Freedom of Information Act, I request copies of any documents that show the reasoning and evidence that your office used in making the determination, published in the Federal Register on April 9, 2009, that the GE Evendale facility would no longer be classified as an Atomic Weapons Employer.

Respectfully yours,

Robert M. Louiso
