ORDER

By the General Counsel, U.S. Department of Energy:

1. In this Order, I adopt the attached Compromise Agreement entered into between the U.S. Department of Energy (“DOE”) and YMGI Group LLC (“Respondent”). The Compromise Agreement resolves the case initiated to pursue a civil penalty for violations of the compliance certification requirements located at 10 C.F.R. § 429.12 and distribution in commerce in the U.S. of basic models of a covered product that failed to meet the energy conservation requirements as described at 10 C.F.R. § 430.32(c).

2. DOE and Respondent have negotiated the terms of the Compromise Agreement that resolves this matter. A copy of the Compromise Agreement is attached hereto and incorporated by reference.

3. After reviewing the terms of the Compromise Agreement and evaluating the facts before me, I find that the public interest would be served by adopting the Compromise Agreement, which completes the adjudication of the case.

4. Based on the information in the case file and Respondent’s voluntary admission of violation in the Compromise Agreement, I find that Respondent committed Prohibited Acts by failing comply with the certification requirements at 10 C.F.R. § 429.12 and by distributing in commerce in the U.S. approximately 200 units of a covered product that failed to meet the energy conservation standards at 10 C.F.R. § 430.32(c). *See* 42 U.S.C. § 6302.

5. Accordingly, pursuant to 10 C.F.R. § 429.120 and 42 U.S.C. § 6303, **I HEREBY ORDER** Respondent to pay a sum of \$31,400 **AND ADOPT** the Compromise Agreement attached to this Order.

NOW, THEREFORE, in consideration of the foregoing and the mutual agreements set forth below, the sufficiency and adequacy of which are hereby acknowledged, the Parties agree as follows:

III. TERMS OF THE AGREEMENT

1. **Adopting Order.** The Parties agree that the provisions of this Compromise Agreement shall be subject to final approval by the General Counsel by incorporation of such provisions by reference in the Adopting Order without change, addition, modification, or deletion.
2. **Obligations of Respondent.**
 - a. If this Compromise Agreement is executed within thirty (30) days of the date of the Notice, Respondent agrees to pay the sum of \$31,400, as full satisfaction of the civil penalty proposed in the Notice, within thirty (30) days of the issuance of an Adopting Order. If this Compromise Agreement is executed between thirty-one (31) and sixty (60) days after the date of the Notice, Respondent agrees to pay the sum of \$75,000, as full satisfaction of the civil penalty proposed in the Notice, within thirty (30) days of the issuance of an Adopting Order.
 - b. Within sixty (60) calendar days following the issuance of an Adopting Order, Respondent will properly certify in accordance with 10 C.F.R. § 429.12 all basic models Respondent offers for distribution in commerce in the United States, including testing a minimum of two units in accordance with 10 C.F.R. § 429.11.  - c. DOE agrees to terminate the enforcement action with prejudice upon Respondent's completion of its Obligations in accordance with Paragraph 2 above.
4. **Jurisdiction and Governing Law.** This Compromise Agreement is entered pursuant to DOE's authority to interpret and enforce its rules for energy efficiency and to enter into its own agreements interpreting and applying those rules. The Parties agree that DOE has jurisdiction over Respondent and primary jurisdiction over the matters contained in this Compromise Agreement and has the authority to enter into this Compromise Agreement.
 5. **Effective Date.** The Parties agree that this Compromise Agreement shall become effective on the date on which the General Counsel issues the Adopting Order. Upon release, the Adopting Order and this Compromise Agreement shall have the same force and effect as any other Order of the General Counsel. Any violation of the Adopting Order or of the terms of this Compromise Agreement shall constitute a separate violation of an agency Order, entitling DOE to exercise any rights and remedies attendant to the enforcement of an Agency Order.
 6. **Waivers.** Respondent agrees not to seek judicial review or otherwise contest or challenge the validity of the terms and penalties set out in this Compromise Agreement or the Notice associated with this case, including any right to judicial review that may be available to the Respondent.  11. **Authorized Representative.** Each party represents and warrants to the other that it has full power and authority to enter into this Compromise Agreement.

12. Counterparts. This Compromise Agreement may be signed in any number of counterparts (including by facsimile or electronic mail), each of which, when executed and delivered, shall be an original, and all of which counterparts together shall constitute one and the same fully executed instrument.
