RE-EXPORTS OF LIQUEFIED NATURAL GAS (LNG)
(Mcf)

Note: These cargos are exports of liquified natural gas that had been previously imported from foreign sources.

In the December 15th cargo, the Authorization Holders are reporting an export they made on behalf of the actual Exporter.
The supplier(s) owned the gas while it was in storage tanks at the terminal.
The Exporter took title to the gas only after the vessel left port.
