

Fire Protection System Account Request Form

To obtain a user id and password to access the Fire Protection system, please complete the form, save the file and email it to hssUserSupport@hq.doe.gov or print and fax it to 301-903-9823. We will provide a username and password to new account holders. Please allow several business days to process your account request. When your request is approved, you will be contacted with your account information.

Site name: Choose from this drop down list. If your site name is not present in the drop down menu, please send an email to hssUserSupport@hq.doe.gov with the site name you want to be added to the drop down list.
