

# U.S. Department of Energy Categorical Exclusion Determination Form

Program or Field Office: Energy Efficiency and Conservation Block Grant Program

Project Title OK-City-Moore

Location: City Moore OK

Proposed Action or Project Description:

American Recovery and Reinvestment Act:

1) Acquire technical services to support preparation of an energy efficiency and conservation strategy (ongoing); 2) replace existing heating, ventilating, and air conditioning (HVAC) system with new energy efficient HVAC rooftop cooling units, along with a computerized programmable control system at the Moore Community Center; 3) replace existing chiller system with a high efficiency chiller system at the City of Moore Public Library; 4) establish a public education program and outreach effort to increase understanding of energy efficiency, including purchase and distribution of approximately 2,700 CFL light bulbs; 5) establish a community-wide recycling drop off facility, including conversion of an existing building at 400 North Telephone Road to be used as the Recycling Center, conducting energy efficient retrofits to the Recycling Center (replace existing doors and windows with insulated core doors and thermal pane windows, replace existing HVAC system, and replace insulation on roof/exterior walls and add insulation in interior walls); and 6) establish a community-wide comprehensive household waste recycling program, including hiring staff to man the community drop-off facility and hiring a consultant to design informational and promotional materials

Conditions: None

Categorical Exclusion(s) Applied: A9, A11, B2.5, B5.1

\*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR10 21

This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.

ORO NEPA Compliance Officer
