PARSII - New Reports and Reports With New Reporting Folder Location

Report Name	Previous Location	New Location	Brief Description	Multi-Project or Single Project Report
2A Project Summary by Program	PARS Reports	Monthly Reports	All active projects listing Pre/Post CD-2 $ and #'s including RYG status.	Multi-Project
3A Red-Yellow Project Status Report	PARS Reports	Monthly Reports	For every project that has been assessed by the OECM Analyst as being either Red or Yellow a worksheet is created that includes the OECM Analyst's written assessment of the project. The FPD, Site and Contractor with its EVM Certification Status are listed in the report. All appropriate EVM metrics, TPC values and CD approved dates as of the current OA Status Date are a part of the report.	Multi-Project
4B Projects Post-CD-2	PARS Reports	Monthly Reports	All Active projects that have an approved CD2 date are listed in the Projects Post CD2 report by Program. The report includes contact information about the FPD and their Certification, the Contractor and its EVMS Certification. The current TPC as well as the TPC at CD2 are shown. The project's cumulative performance indices CPi and SPi are shown along with the OECM Analyst's overall RYG assessment and narrative comments.	Multi-Project
4C Projects Pre-CD-2	PARS Reports	Monthly Reports	All active projects that do not have an approved CD2 date are listed in this report by program. The report includes contact information about the FPD and their certification, the contractor and its EVMS certification. The cost range for TPC Low and High are shown for both CD0 and CD1. The OECM analyst is not required to provide a RYG assessment at this stage but their assessment comments can be included at this time.	Multi-Project
BCP	PARS Reports	Project Reports	This report is used to review all of the BCPs for the current project that the user has selected in PARS. It lists all of the information input for each BCP that the project has incurred to date to come up with the calculated TPC. If the project has more than one BCP, then the report will create a new column for each BCP.	Project
Critical Decisions	PARS Reports	Project Reports	This report lists the Planned Date and Approved Date for each CD. Any Approval notes recorded are also included in the report.	
EVMS Certification by Contractor	PARS Reports	EVMS Reports	This report lists the DOE contractors alphabetically with their certification level and a listing of projects on which the contractor is performing.	Multi-Project
