CO-CHAIR, CERTIFICATION REVIEW BOARD

SUBJECT: Project Management Career Development Training Requirement

The Certification Review Board announces the following additions to the PMCDP training competencies:

- ✓ Classes on the United States Green Building Council's Leadership in Energy and Environment Design (LEED) New Construction (LEED-NC) Certification Standards will be added to the PMCDP curriculum as training electives. This training is required to satisfy the goal established by the Secretary that all new construction will meet LEED-NC Gold criteria and be certified as such.
- ✓ Level 2 core class on contracting/acquisition.

These courses will be added to the update of the Certification and Equivalency Guideline and will be added to curriculum in 2009.

This flash will be available at the following website: http://www.management.energy.gov/policy/guidance/policy_flashes.htm.

Questions regarding this should be addressed to Peter O'Konski at (202) 586-4502 or Marylee Baker at (202) 586-8254.
