Next Quarterly Public Meeting

February 25, 2026

There will be no post-QPM in-person meeting on December 18.

For Quarterly Public Meetings

Virtual Attendance:

- Once registered, an invite to this meeting will be sent via ZOOM. This will include the log-in information and passcode.
- Log into ZOOM five minutes early so that you can connect and check your audio. You will be muted on entry.
- The moderator will manage the order of stakeholder participation (questions/comments) during the meeting.
- During the meeting you may pose questions by using the “raise hand” feature, and the facilitator will unmute you briefly to pose a question. As scheduled on the agenda and as time allows your questions and comments will be addressed by the facilitator.
