**Re: Driftwood LNG LLC
FE Docket No. 16-144-LNG
DOE/FE Order Nos. 3968, 3968-A, 4373, and 4373-A
Semi-Annual Report (April 1, 2023 through September 30, 2023)**

To Whom It May Concern:

Pursuant to Condition J of DOE/FE Order No. 3968 (as amended by DOE/FE Order No. 3968-A), and Condition M of DOE/FE Order No. 4373 (as amended by DOE/FE Order No. 4373-A), Driftwood LNG LLC ("DWLNG") is providing herein the semi-annual status report for the Driftwood LNG Facility (the "Project") for the period April 1, 2023 through September 30, 2023.

DWLNG has obtained all applicable federal and state permits required for the Project at this time.

During this reporting period, construction continued for the Project. Construction activities included vegetation clearing and grading, demolition of existing site buildings and infrastructure, pile driving, and concrete foundations.

Non-jurisdictional construction activities, including the construction of water wells, also continued during the reporting period.

DWLNG is continuing to work to commercialize the Project, including engaging in ongoing discussions and negotiations with potential investors, and developing and negotiating terms for long-term LNG export contracts and long-term supply contracts. In accordance with Conditions D(1) and D(2) of DOE/FE Order No. 3968, and Conditions I(i) and I(ii) of DOE/FE Order No. 4373, DWLNG will file copies of long-term contracts following execution.

For any further inquiries, please feel to contact me at (832) 962-4000.

Very truly yours,
