Good afternoon Ms. Malcolm,

Attached please find the two proofs of publication for the Notice of Complete Application related to Part 373 permit for the KAPL-SPRU site (DEC ID# 4-4224-00024/00055)

As requested, the Notice was published in the Daily Gazette on Tuesday, June 18, 2024. Additionally, two 60-second radio announcements were played on Tuesday June 18, 2024, once in the AM and once in the PM, on iHeart Media station WRVE.

Please let us know if you have any questions or if additional information is required.

Kind regards,
Erin

Department of Environ-**

mental Conservation (Department) has reviewed the hazardous waste management permit application submitted by USDOE-EM for the Separations Process Research Unit (SPRU) and has made a tentative determination to issue a 6 NYCRR Part 373 hazardous waste management permit.

Tentative Determination: After review of the permit application, the Department has found it to be complete. Based upon the complete application, the Department has made a tentative determination to issue a 6 NYCRR Part 373 Permit to the facility for storage of mixed wastes in containers and has prepared a Draft Permit pursuant to the regulations found in 6 NYCRR Part 373-2 as well as with all other applicable hazardous waste management laws and regulations.

Pursuant to Part 617 of the New York State regulations for Article 8, SEQRA (the State Environmental Quality Review Act), NYSDEC has determined that the proposed action, described above, is Type II action.

Document Availability: Copies of the draft permit, the supporting permit application, and the Fact Sheet are available for inspection online at <https://www.dec.ny.gov/data/DecDocs/447011/>. The draft permit and the Fact Sheet are also available for inspection at the Town of Niskayuna Public Library, 2400 Nott Street East, Niskayuna, NY 12309.

Public Comment Period:

A public comment period has been established from 06/18/2024 to 08/05/2024. All comments will be considered and evaluated in making the final determination to issue the permit. Prior to the approval of permit, the Department will respond to any comments submitted by the public. If warranted, changes will be made in the draft version. A notice of the final decision will be sent to each interested citizen or organization that submitted written comments or have requested such notice.

In lieu of, or in addition to the submittal of written comments, any interested person(s) may request a public hearing as per 6 NYCRR Part 621. A request for a public hearing must be made in writing, stating the nature of the proposed issues to be raised in the hearing.

Comments on the 6 NYCRR Part 373 Permit and/or request(s) for a hearing must be sent no later than 08/05/2024 to:

The New York State Department of Environmental Conservation (Department) has reviewed a permit application from the US Department of Energy Environmental Management, Separations Process Research Unit, to store mixed transuranic waste and continue to perform corrective action activities at the facility in Niskayuna, New York. The Department plans to issue a permit which will authorize the applicant to store such wastes and continue to perform corrective action activities on Solid Waste Management Units and Areas of Concern associated with operation of the Separations Process Research Unit facility.

Copies of the permit application and draft permit are available for review electronically through DEC Info Locator or physically at the Town of Niskayuna Public Library, 2400 Nott Street East, Niskayuna, NY 12309.

Interested persons may submit written comments or request a public hearing on the draft permit no later than August 5th, 2024. Comments must be sent to Kate Malcolm, Regional Permit Administrator, DEC Region 4 Office, 1130 N. Westcott Road, Schenectady, NY 12306. Further information may also be obtained by calling Kate Malcolm, at (518) 357-2069.
