**To:** Rogers, Jackie  
**Subject:** FW: PNNL's Chronic Beryllium Disease Prevention Program RFI Response - Additional information

Jackie – Wanted to provide some additional information if it is possible. While the document provided is accurate, it is also important to note that we do maintain an administrative control limit of 0.01 ug/m3. Hope this additional information is helpful.

**Subject:** PNNL's Chronic Beryllium Disease Prevention Program RFI Response

Jacqueline Rogers:

PNNL appreciates the opportunity to respond to the Request for Information on Chronic Beryllium Disease Prevention Program dated December 23, 2010.

Attached is a copy of PNNL's response. The original is being Fed-ex'd to your office.

Please feel free to contact me at (509) 371-6732 if you have any questions.

Thank you,

---
