

UNITED STATES OF AMERICA
DEPARTMENT OF ENERGY
HYDROCARBONS AND GEOTHERMAL ENERGY OFFICE

STEPHEN AVENUE MARKETING INC.

DOCKET NO. 26-63-NG

ORDER GRANTING BLANKET AUTHORIZATION
TO EXPORT NATURAL GAS TO CANADA

DOE/HGEO ORDER NO. 5444

JULY 10, 2026

I. DESCRIPTION OF REQUEST

On June 8, 2026, Stephen Avenue Marketing Inc. (Stephen Avenue Marketing) filed an application with the Hydrocarbons and Geothermal Energy Office (HGEO) of the Department of Energy (DOE) requesting blanket authorization under section 3 of the Natural Gas Act (NGA)¹ for the authority summarized in the list below. The applicant requests the authorization for a two-year term beginning on July 10, 2026. Stephen Avenue Marketing is a Canada corporation with its principal place of business in Calgary, Alberta, Canada.

1. Export up to 7.3 billion cubic feet (Bcf) of natural gas to Canada by pipeline at any point on the border between the United States and Canada

II. FINDING

DOE has evaluated the application to determine if the proposed import and/or export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under NGA section 3(c), imports and exports of natural gas, including liquefied natural gas (LNG), from or to any country with which the United States has entered into a free trade agreement (FTA) requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest.² DOE must grant such applications without modification or delay.³ The authorization sought by Stephen Avenue Marketing meets the NGA section 3(c) criteria, and, therefore, is deemed to be consistent with the public interest.

ORDER

Pursuant to section 3(c) of the NGA, it is ordered that:

A. Stephen Avenue Marketing is authorized for the activity described below. This authorization shall be effective for a two-year term beginning on July 10, 2026, and extending through July 9, 2028.

1. Export up to 7.3 Bcf of natural gas to Canada by pipeline at any point on the border between the United States and Canada

1. On November 20, 2025, the Office of Fossil Energy and Carbon Management (FECM) changed its name to the Hydrocarbons and Geothermal Energy Office (HGEO). Authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for FECM (now the Assistant Secretary for HGEO) in Redelelegation Order No. S4-DEL-FE1-2023, issued on April 10, 2023.

2. 15 U.S.C. § 717b(c).

3. *Id.*

B. Monthly Reports: With respect to the imports and/or exports authorized by this Order, Stephen Avenue Marketing shall file with the Office of Global Energy Security, within 30 days following the last day of each calendar month, a report on Form FE-746R indicating whether imports and/or exports have been made. Monthly reports must be filed whether or not initial deliveries have begun. If no imports and/or exports have been made, a report of "no activity" for that month must be filed. If imports and/or exports have occurred, the report must provide the information specified for each applicable activity and mode of transportation, as set forth in the Guidelines for Filing Monthly Reports. These Guidelines are available at: <https://www.energy.gov/hgeo/guidelines-filing-monthly-reports>.

(Approved by the Office of Management and Budget under OMB Control No. 1901-0294)

C. The first monthly report required by this Order is due not later than August 30, 2026, and should cover the reporting period from July 10, 2026 through July 31, 2026.

Issued in Washington, D.C., on July 10, 2026.
