Request to Vacate Authorization**

To: Office of Regulation, Analysis, and Engagement – Division of Natural Gas Regulation:

Andalusian Energy, LLC (“Andalusian”) respectfully requests that the Department of Energy Hydrocarbons and Geothermal Energy Office vacate Order No. 4616¹ in Docket No. 20-73-CNG authorizing Andalusian to export compressed natural gas to countries with which the United States has a Free Trade Agreement.

Due to changing market conditions, Andalusian will not be moving forward with the proposed compression and container loading facility. Therefore, Andalusian respectfully requests that the Department of Energy Hydrocarbons and Geothermal Energy Office vacate Order No. 4616, to be effective on the date of such issuance.
