

The screenshot shows a web browser window with the URL <https://ladcp.maps.arcgis.com/apps/MapJournal/index.html?appid=b06f97ccf94741fdaad27443013ead1>. The browser's address bar and menu bar are visible at the top. The main content area features a satellite map of Los Angeles with several orange circular markers indicating project locations. A sidebar on the right is titled "MAJOR PROJECTS" and includes the following text:

MAJOR PROJECTS
Department of City Planning

LOS ANGELES

Welcome to Major Projects presented by City of Los Angeles Department of City Planning. Click and zoom to any site on the map for information on progress of ongoing developments. Scroll down within this side panel to receive in-depth information on developments including concept art, site plans, and links to Environmental Impact Reports (EIR). Click on any project from the list below to jump directly to desired project.

*Revisions added on a monthly basis.
Last updated as of October 2015.*

The sidebar also contains a vertical list of project thumbnails and a navigation arrow. The map includes a legend and an overview map in the bottom-left corner. The bottom of the screen shows a Windows taskbar with various application icons and a system tray displaying the time as 10:50 AM on 10/21/2015.
