Attention: Delfin LNG LLC
Docket Nos. 13-129-LNG and 13-147-LNG
PRIVILEGED AND CONFIDENTIAL Submission of Contract
and Summary of Major Provisions of Contract for Public Posting

Dear Ms. Sweeney:

Delfin LNG LLC (“Delfin”) was granted long-term, multi-contract authority to export liquefied natural gas (“LNG”) to (1) nations with which the United States has entered into a Free Trade Agreement (“FTA”) requiring the national treatment of natural gas in Order No. 3393 in Docket No. 13-129-LNG on February 20, 2014, and (2) “non-FTA” nations with which trade is not prohibited by law in Order No. 4028 in Docket No. 13-147-LNG on June 1, 2017. Ordering Paragraph (D) of Order No. 3393 and Ordering Paragraph (I) of Order No. 4028 require Delfin to file with the Department of Energy (“DOE”) a non-redacted copy of all executed long-term contracts associated with the long-term export of LNG from its Project within thirty days of contract execution. If a contract is filed under seal and subject to a claim of confidentiality or privilege, the Orders require Delfin to file for public posting a summary of the non-proprietary, major provisions of the contract.

Delfin FLNG 2 LLC (“Delfin FLNG 2”¹) has entered into a new LNG Sale and Purchase Agreement (“SPA”) with Centrica LNG Company Limited (“Centrica”), dated as of May 20, 2026. Accordingly, Delfin LNG Services LLC (“Delfin Services”²) hereby submits a summary, for public posting, of the major, non-proprietary provisions of the new SPA with Centrica, following

¹ Delfin FLNG 2 is a limited liability company that will own and operate the second floating liquefaction vessel for the Delfin project and is expected to have equity ownership different from that of Delfin itself. Delfin will act as agent for Delfin FLNG 2 to export LNG in accordance with the terms of Delfin's export authorizations and, accordingly, will register Delfin FLNG 2 with DOE prior to any export.

² Delfin Services acts as an agent for both Delfin and Delfin FLNG 2.

a template for such summaries of terms followed by Delfin and other LNG export projects. In addition, Delfin Services is contemporaneously transmitting in a separate, confidential communication directed solely to the addressee a full and unredacted copy of this Centrica SPA marked as Privileged and Confidential because the contract is highly confidential and contains commercially valuable and proprietary information the disclosure of which would cause competitive and financial harm to the parties. Delfin Services requests that the contract be treated and maintained as confidential to the greatest extent permitted by law.

If you have any questions about this Centrica SPA, or related matters, please contact the undersigned counsel for Delfin Services.

7. Contract Term:

The term of the contract commences on the date of execution, though certain terms will not become effective unless and until certain specified conditions precedent are satisfied or waived. Subject to and in accordance with the terms and conditions of the contract, the obligations to sell and deliver, and to purchase and pay for, LNG under the contract become effective on the Date of First Commercial Delivery of the second Delfin LNG Vessel to achieve a positive final investment decision, as such terms are defined in the contract. The contract then continues in effect for a term of twenty (20) years.

8. Annual Quantity:

The annual contract quantity is equal to: (i) thirteen million (13,000,000) MMBtu from the Date of First Commercial Delivery to the end of the calendar year in which the fifteenth (15th) anniversary of the Date of First Commercial Delivery falls and (ii) two million six hundred thousand (2,600,000) MMBtu from the January 1 that immediately follows that period to the twentieth (20th) anniversary of the Date of First Commercial Delivery. For the first and final contract years, the annual quantities shall be pro-rated based on the number days in that contract year.

9. Take or Pay (or equivalent) Provisions/Conditions:

Subject to and in accordance with the terms and conditions of the contract, commencing on the Date of First Commercial Delivery, Seller shall sell and make available for delivery, or compensate Buyer if not made available for delivery, export cargos at the point at which the flange coupling of the LNG loading line of the second Delfin LNG Vessel joins the flange coupling of the LNG intake manifold of the relevant LNG tanker, and Buyer shall take and pay for, or compensate Seller if not taken, such export cargos.

10. Supplier (title holder) of Natural Gas to Liquefaction Facility (include whether long or short-term supply, or both), if appropriate. If this does not include a purchase or sale of natural gas, please mark this section "Not Applicable":

Not Applicable.

11. Legal Name of Entity(ies) that has (have) Title to the Natural Gas and LNG through the LNG Facility until Export (at the Flange of the Vessel):

Delfin FLNG 2 LLC

12. Export Destination Restrictions in the Contract:

Buyer may elect any destination, except that the contract restricts exports of LNG to destination countries permitted under (i) the applicable DOE export authorizations and (ii) U.S. law.

13. Resale Provisions:

The contract requires that Buyer will resell or transfer LNG delivered under the contract only to countries allowed by the DOE export authorizations and/or to purchasers or transferees that have agreed in writing to limit their direct and indirect resale or transfer of such LNG to such countries.

14. Other Major Non-proprietary Provisions, if applicable:

None.

I affirm that the foregoing is true and accurate to the best of my knowledge.
