PARTNERSHIP AGREEMENT
Between
The U.S. Small Business Administration
And
The U.S. Department of Energy

Sections 7(j) and 8(a) of the Small Business Act (the Act) (15 U.S.C. §§ 636 (j) and 637(a)) authorize the U. S. Small Business Administration (SBA) to establish a business development program, which is known as the 8(a) Business Development (BD) Program. The 8(a) BD program promotes the development of small business concerns owned and controlled by socially and economically disadvantaged individuals so that such concerns can compete in the mainstream of the American economy. (15 U.S.C. § 631(f)(2)). Small business development is accomplished by providing various forms of management, technical, financial and procurement assistance. Additionally, pursuant to section 8(a) of the Act, SBA is authorized to enter into all types of contracts with other Federal agencies and to subcontract the performance of these contracts to qualified Participants in the 8(a) BD Program.

I. PURPOSE

The purpose of this Partnership Agreement (PA) between SBA and the U.S. Department of Energy is to delegate SBA's contract execution functions to the U.S. Department of Energy per the requirements of 13 C.F.R. § 124.501. The PA sets forth the delegation of authority and establishes the basic procedures for expediting the award of 8(a) contract requirements. This PA replaces all terms and conditions of any previously executed Memorandum of Understanding (MOU) or PA with the U.S. Department of Energy or subordinate agencies on the issue of expediting the award of requirements pursuant to Section 8(a) of the Act.

Failure to sign this PA will require the U.S. Department of Energy to utilize the prescribed processes to contract with the SBA as stated in the Federal Acquisition Regulation (FAR) Subpart 19.8.

II. OBJECTIVES

A. To delineate the responsibilities as they relate to the oversight, monitoring and compliance with procurement laws and regulations governing 8(a) contracts between SBA and the U.S. Department of Energy;
B. To establish the procedures for offer and acceptance between SBA and the U.S. Department of Energy;
C. To establish that SBA will respond to an offering letter within five (5) working days if the contract is valued at more than the simplified acquisition threshold and within two days of receipt if the contract is valued at or below the simplified acquisition thresholds. See 13 C.F.R. § 124.503(a)(3);

D. To emphasize that although SBA delegates the authority to sign contracts on its behalf, it remains the prime contractor on all 8(a) contracts awards, modifications, options and purchase orders, and must receive copies of all contracts and subsequent modifications;
E. To eliminate SBA's review of contracts and purchase orders executed under the authority of this PA; and
F. To establish uniform policies and procedures regarding application of contracts and purchase orders to the 8(a) contracting process.

III. SCOPE

The PA provides for the award of contracts, modifications, options and purchase orders under the provisions of Section 8(a) of the Act as implemented by the FAR Subpart 19.8 and SBA's 8(a) BD program regulations found at 13 C.F.R. §124, (Subpart A).

The PA encompasses all competitive and non-competitive acquisitions of requirements offered by the U.S. Department of Energy contracting offices and accepted by SBA for the 8(a) BD program.

The PA applies to all SBA offices and all the U.S. Department of Energy contracting offices, as defined in FAR § 2.101 and deemed appropriate by the head of the agency, as defined in FAR § 2.101, for the U.S. Department of Energy.

IV. RESPONSIBILITIES

A. SBA's Responsibilities.

SBA

1. delegates to the U.S. Department of Energy for re-delegation to all warranted the U.S. Department of Energy contracting officers, its authority under section 8(a)(1)(A) of the Act to enter into 8(a) prime contracts, and its authority under section 8(a)(1)(B) of the Act to arrange for the performance of such procurement contracts by eligible 8(a) Participants. In accordance with 13 C.F.R. §124.501(a), SBA delegates its 8(a) contract execution function. SBA remains the prime contractor on all 8(a) contracts and the 8(a) Participant remains the SBA's subcontractor;

2. will implement its responsibilities under this PA through uniform procedures for use by all SBA offices;

3. will provide training for the U.S. Department of Energy contracting officers and small business specialists, on the SBA's 8(a) BD program and various aspects of the PA;

4. shall review the U.S. Department of Energy's offering letters, issue acceptance or rejection letters, and make eligibility determinations for award;

(a) Sole Source Procurements.

i. SBA will issue either an acceptance letter or rejection letter within five (5) working days of receipt of an offering letter, unless the District Office requests and the procuring activity agrees to an extension of time.
ii. Absent a notification of rejection within five (5) working days of receipt of the offer, acceptance may be assumed on the sixth (6^{th}) working day unless an extension has been requested and accepted.
iii. Acceptance shall include a size verification and determination with respect to all elements of eligibility (i.e., determinations of adverse impact, North American Industry Classification System (NAICS) code appropriateness and program eligibility). See citations found at 13 C.F.R. §124.504(c);

(b) Competitive Acquisitions.

i. SBA will issue an acceptance letter or rejection letter within five (5) working days of receipt of an offering letter, unless the District Office requests and the procuring activity agree to an extension of time.
ii. Where SBA does not respond with a notification of rejection within five (5) working days of receipt of the offer, the procuring activity may seek SBA's acceptance through the Associate Administrator, Office of Business Development (AA/BD). If the procuring activity does not receive a reply from the AA/BD within five (5) working days of the AA/BD's receipt of the offer, the procuring activity may assume acceptance on the sixth (6^{th}) working day.
iii. Within five (5) working days after a request from the contracting officer, SBA shall issue an eligibility determination for the apparent successful offer, as prescribed by SBA's regulations at 13 C.F.R. §124.507(b).

(c) Acquisitions Valued at or Below the Simplified Acquisition Threshold.

i. No offering or acceptance letter is required for requirements valued at or below the simplified acquisition threshold, in accordance with the delegation of authority.

ii. SBA will review the program eligibility of the 8(a) Participant within two (2) working days after a request from the contracting officer.
iii. Absent a notification that the selected 8(a) Participant is ineligible for the award within two (2) working days, the procuring agency may assume the 8(a) Participant is eligible and proceed with award, as prescribed by SBA's regulations at 13 C.F.R. 124.503(a)(4)(i).
iv. The procuring agency must notify SBA of these 8(a) awards under this authority. See 13 C.F.R. § 124.503(a)(4)(ii).

8. shall retain the right to perform on-site agency reviews to ensure contract compliance;

9. may identify a requirement for an 8(a) Participant for a possible award. SBA will submit capability statements to the appropriate procuring activities for the purpose of matching requirements consistent with the 8(a) Participant's capability;

10. shall retain the responsibility for ensuring that 8(a) Participants comply with all applicable provisions relating to continuing eligibility for 8(a) BD program participation per 13 C.F.R. § 124.112.

11. may select an appropriate 8(a) Participant when the U.S. Department of Energy submits an open offering letter for a sole source requirement.

B. The U.S. Department of Energy Responsibilities

9. shall include monitoring and oversight provisions for all contract awards, modifications, options and purchase orders to ensure that all contracts comply with the performance requirements (Limitations on Subcontracting) of FAR § 52.219-14 and 13 C.F.R. §124.510 and § 125.6;

Acquisitions valued at or below the simplified acquisition threshold, as defined in FAR § 2.101, and per 13 C.F.R. §124.503(a)(4)(ii), require no offer or acceptance letter; however, (a) a program eligibility determination of the selected 8(a) Participant from SBA is required; and (b) the procuring activity must notify SBA of all 8(a) awards made under this authority, per 13 C.F.R. §124.503(a)(4)(ii).
