RE: Federal Power Act Section 202(c) Application

In anticipation of the extremely hot weather and high demand forecasted the week of June 10<sup>th</sup>, 2026, Southern Power Company understands that Duke Energy expects to file an application to the Department of Energy (DOE) for an order under Section 202(c) of the Federal Power Act and requests that Duke Energy include Plant Rowan Units 1-5 and Plant Cleveland Units 1-4 as Specified Resources in its application, if and when it is filed.

If the DOE issues a 202(c) order associated with Duke Energy's application, Southern Power Company requests that Duke Energy promptly forward the order to the Plant Manager of Plants Rowan and Cleveland, and the parties will work together to coordinate on the implementation of the order and any reporting requirements to DOE in accordance with the protocol established between the parties.

Sincerely,

Shane Short

Plant Manager, Plant Rowan and Plant Cleveland County

Southern Power Company
