

Nuclear Safety Information (NSI) and Corporate Safety Performance Dashboards Presentation for the DOE ERAD

Jay Larson

Manager, Nuclear Safety Information (NSI) Dashboard
Office of Environment, Health, Safety and Security
Office of ES&H Reporting and Analysis (AU-23)

August 29, 2018

The NSI Dashboard is located at...

- Go to: <https://www.energy.gov/ehss/pilot-project-nuclear-safety-information-dashboard#:~:text=The%20Nuclear%20Safety%20Information%20%28NSI%29%20Dashboard%20provides%20a,from%20occurrence%20information%20reported%20into%20DOE%27s%20ORPS%20database.>
- ...or link: <http://energy.gov/ehss/nuclear-safety-information-dashboard>. This brings you to the dashboard “Launch” and to background documents links.
- If you have an ORPS Account, You will need to Use Your ORPS UserID and Password to access NSI Dashboard. (ORPS Support: 800-473-4375, ORPSSupport@hq.doe.gov)
- If you don't have an ORPS account, in order to obtain a UserID and Password, you will need to get an ORPS account by filling out the User Registration Form (PDF), which is found at:
