Mr. Adam Chavarria
U.S. Department of Education
White House Initiative on HSIs
400 Maryland Avenue, SW
Room 5E110
Washington, DC 20202-3601

Dear Mr. Chavarria:

As requested by Executive Order 13230, President's Board of Advisors on Hispanic Serving Institutions, I am enclosing the Department of Energy's (DOE) fiscal year 2008 Annual Performance Report on Executive Agency Actions to Assist Hispanic Serving Institutions (HSIs).

The Department provided $19.5 million in support to HSIs, a decrease of $700,000 from fiscal year 2007. Despite this decrease, the Department supported a variety of programs including research and development opportunities, scholarships, internships and training. Large scale projects included $1.2 million to Maricopa Community College to increase the number of minority students completing high school and enrolling in post-secondary education in Science, Technology, Engineering and Mathematics disciplines.

We will continue to work with you to implement programs to ensure that the nation's HSIs receive the necessary support to strengthen and enhance their ability to provide high quality educational opportunities for future scientists and engineers.

Sincerely,

Theresa Alvillar-Speake
