

MEMORANDUM OF UNDERSTANDING
BETWEEN
GRADUATE SCHOOL OF FRONTIER SCIENCES
THE UNIVERSITY OF TOKYO, JAPAN
AND

PRINCETON PLASMA PHYSICS LABORATORY,
PRINCETON UNIVERSITY, THE UNITED STATES OF AMERICA

Princeton University, as operator of the Princeton Plasma Physics Laboratory under contract with the United States Department of Energy (Contract No. DE-AC02-09CH11466), and the University of Tokyo (“UTokyo”), Graduate School of Frontier Sciences, a national university duly organized and existing under the laws of Japan, collectively referred to herein as the “Participants,” enter into this Memorandum of Understanding (“MOU”) to promote academic cooperation.

SHARING an interest in collaborating to advance the science of fusion energy.

HAVE REACHED THE FOLLOWING UNDERSTANDING:

I. OBJECTIVE

The Participants intend to work together to develop scientific, academic and educational cooperation on the basis of equality and reciprocity and to promote relations and mutual understanding between the Participants in the area of fusion science.

II. AREAS OF COOPERATION

The collaboration between the Participants is intended to be in the area of fusion.

III. FORMS OF COOPERATION

Cooperation may include:

- (1) Exchange of academic staff, administrative staff and students;
- (2) Plan for joint research;
- (3) Exchange of academic information and publications; and
- (4) Other academic exchanges to which both Participants consent.

IV. GENERAL PROVISIONS

- (1) This MOU does not create any legally binding obligations between the Participants.
- (2) The conduct of cooperative activities contemplated by this MOU is subject to

availability of funding, personnel and other resources.

- (3) The Participants understand that any collaborative research and development (R&D) or any activity that may result in the exchange of intellectual property or confidential information should be conducted under an appropriate written agreement.
- (4) Each Participant should conduct the cooperation under this MOU in accordance with applicable laws and regulations to which it is subject, and international agreements to which its Government is a party.
- (5) Each Participant is to be responsible for the costs it incurs in participating in cooperative activities under this MOU.

V. COMMENCEMENT, MODIFICATION AND DISCONTINUATION

- (1) Cooperative activities under this MOU may commence upon signature and continue for a five (5) year period unless discontinued in accordance with paragraph 2 of this Section V.
- (2) The Participants may discontinue this MOU at any time by mutual consent in writing. Alternatively, a Participant wishing to discontinue its participation in this MOU should endeavor to provide at least 6 months prior written notice to the other Participant.
- (3) This MOU may be modified or extended in writing signed by both Participants, with prior written Department of Energy approval.
