STANDARD FORM 30 (REV. 11/2016)
Prescribed by GSA FAR (48 CFR) 53.243

Continuation Sheet

Purpose of Modification

The purpose of this modification is to update the hyperlink displayed in Section H, Clause H-20 Management and Operating Contractor Subcontract Reporting (NOV 2017) pursuant to guidance provided by Thomas Calamari, MA-623, CBS O&M, Systems Analyst Advisor on March 13, 2025.

Furthermore, the contract is revised to extend the Individual Subcontract Report (ISR) submission from 30 to 45 days in accordance with the U.S. Small Business Administration Final Rule published at 89 FR 102448 on December 17, 2024, which amended 13 CFR 125.3(d)(1),

This administrative modification is issued at no cost to the Government and updates the following items:

Items:

1. Section H, Clause H-20 Management and Operating Contractor Subcontract Reporting (NOV 2017), Page 33. The hyperlink in paragraph (a) is updated to reflect the current reporting portal.
 - a. Removing from dysfunctional hyperlink from paragraph (a) *Reporting* “<https://energy.gov/management/downloads/mosrc-reporting-instructions>”, adding the correct hyperlink in its place “<https://iportalwc.doe.gov/webcenter/portal/MOSRC>” to be displayed as in the paragraph below:

Reporting. The Contractor shall collect and report data via MOSRC necessary for DOE to meet its agency reporting requirements, as determined by the Small Business Administration, in accordance with the most recent reporting instructions at <https://iportalwc.doe.gov/webcenter/portal/MOSRC>. The Contractor shall report first-tier subcontract data in MOSRC. Classified subcontracts shall not be reported. Subcontracts with Controlled Unclassified Information marking shall not be reported if restricted by its category. Contact your Contracting Officer if uncertain of information reporting requirements. The MOSRC reporting requirement does not replace any other reporting requirements (e.g. the Electronic Subcontracting Reporting System or the FFATA Subcontracting Reporting System).

2. Section J, Appendix I, (10) Requirement to Cooperate in Studies and Submission of Reports, Page 273
 - a. Removing from the sentence requiring submission of semi-annual ISR reports the text “30 days” adding in its place “45 days” to be displayed as in the paragraph below:

Submit the ISR semi-annually during contract performance for the periods ending March 31 and September 30, and to submit a report within 30 days of contract completion. I

shall submit the reports within 45 days after the close of each reporting period, unless otherwise directed by the contracting officer. Reports are required when due, regardless of whether there has been any subcontracting activity since the inception of the contract or the previous reporting period. When the contracting officer rejects an ISR, I agree to submit a revised ISR within 30 days of receiving the notice of the ISR rejection.

This modification is incorporated into this contract by reference and is effective upon signature by the Contracting Officer.
