

## Consent-based Siting Consortia Calendar of Upcoming Events

Office of  
NUCLEAR ENERGY

Last Updated: September 2024

### Notes:

- For transparency, communication, and to maximize awareness of engagement opportunities, this calendar of events aims to summarize the information provided to DOE by the consent-based siting consortia. DOE plans to update this calendar periodically.
- The consent-based siting consortia is a group of nuclear awardees part of funding opportunity DE-FOA-20257.
- The list of events summarized below are events planned, organized, and hosted by the consent-based siting consortia, and are not DOE events. For additional information on any event, please contact the principal investigator. Their information can be found at [www.energy.gov/ne/consent-based-siting-consortia](http://www.energy.gov/ne/consent-based-siting-consortia)

Month	Day	Location	Organizing Consortium	Event Details
September	TBD	Augusta, GA	American Nuclear Society	Presentation to Baptist church congregation
September	TBD	Virtual	Boise State University	Special speaker series (Thought leaders - siting and permitting)
September	1-2	Syracuse, NY	Rensselaer Polytechnic Institute	The New York State Fair - demonstrations of consent-based siting efforts
September	5-7	Atlanta, GA	Clemson University	National Association of Black Geologists - NuWaDi table w/ 3D maps, StoryMaps, and Surveys
September	10	Russellville, AR	Holtec International	Kiwanis Club of Russellville - Networking Lunch
September	10-14	Russellville, AR	Holtec International	Pope County Fair
September	12	Twin Falls, ID	Boise State University	Public Conversation - Consent-Based Siting for Critical Infrastructure
September	13	Pocatello, ID	Boise State University	Public Conversation - Consent-Based Siting for Critical Infrastructure
September	13-15	Greenville, SC	Keystone Policy Center	Capacity Building Workshop
September	TBD	Charlotte, NC	North Carolina State University	Piedmont Environmental Area Workshop
September	15-18	TBD, Vermont	Good Energy Collective	Paid Introductory Workshops on consent-based nuclear waste siting
September	25-26	Vernal, UT	American Nuclear Society	Uintah Basin Energy Summit. Supplying American Nuclear Society guest speaker on Small Modular Reactors, spent nuclear fuel and consent-based siting process at conference. Requested by America's Rural Energy Coalition, community grant applicant
September	26-27	Norman, OK	Clemson University	Co-design workshop
October	TBD	Bozeman, MT; Butte, MT; Great Falls, MT; Lewistown, MT; Colstrip, MT	Boise State University	Facilitated discussions on consent-based siting
October	4	Virtual	Boise State University	Speaker Series: Decision-making and Engagement for Used Nuclear Fuel & Nuclear Waste
October	7-10	Idaho Falls, ID	North Carolina State University	Pacific Basin Nuclear Conference
October	8	TBD	Holtec International	Russellville Women's Network
October	16-17	Wiscasset, ME	Energy Communities Alliance	Energy Communities Alliance Open Consent-based Siting Meeting
October	19	Aiken, SC	Clemson University	Savannah River Site Heritage Museum Fall Festival - NuWaDi table
October	21-24	TBD, Vermont	Good Energy Collective	Follow-up focus group on specific subtopics
October	22	Tempe, AZ	Arizona State University	Forum demonstration for host sites
October	29	Prairie View, TX	Rensselaer Polytechnic Institute	Prairie View A&M Student Workshops: "From Histories of Non Consent to Energy Justice"
November	TBD	Orlando, FL	North Carolina State University	American Nuclear Society Conference Presentation
November	14-17	Baltimore, MD	Rensselaer Polytechnic Institute	American Studies Association Annual Meeting - Presentation on "Engaging Contexts"
November	16	Clemson, SC	Clemson University	Clemson University's GIS Day
November	20-23	TBD, Vermont	Good Energy Collective	Final Workshops - Interactive Roadmap Activity
December	TBD	Cameron, TX	Good Energy Collective	introductory workshops on consent-based nuclear waste siting
December	9	Virtual	Boise State University	Speaker Series: Views from Former Nuclear Regulatory Commission Chairs on Permitting and Siting Used Nuclear Fuel
February	21	Virtual	Boise State University	Speaker Series: Engaging Communities with Siting and Permitting Energy Facilities
February	20	Virtual	Boise State University	Speaker Series: Consent-Based Siting of U.S. Nuclear Facilities - National Consortia Insights
April	25	Virtual	Boise State University	Speaker Series: The Nuclear Waste Policy Act & Other Rules across Jurisdictions for Siting Used Nuclear Fuel
