

## Consent-based Siting Consortia Calendar of Events

U.S. DEPARTMENT OF  
**ENERGY**

Office of  
**NUCLEAR ENERGY**

*Last Updated June 2024*

### Notes:

- For transparency, communication, and to maximize awareness of engagement opportunities, this calendar of events aims to summarize the information provided to DOE by the consent-based siting consortia. DOE plans to update this calendar periodically.
- The consent-based siting consortia is a group of nuclear awardees part of funding opportunity DE-FOA-2575.
- The list of events summarized below are events planned, organized, and hosted by the consent-based siting consortia, and are not DOE events. For additional information on any event, please contact the principal investigator. Their information can be found at [www.energy.gov/ne/consent-based-siting-consortia](http://www.energy.gov/ne/consent-based-siting-consortia)

Month	Day	Location	Organizing Consortium	Event Details
June	TBD	TBD, AZ	ASU	High-school led dialogues hosted by students from the Chief Science Officers CSOs program at their
June	TBD	TBD, AZ	ASU	Community dialogue in partnership with the Arizona Faith Network
June	TBD	Fort Smith, AR	Holtec	City Council Meetings
June	TBD	Russelville, AR	Holtec	City Council Meetings
June	TBD	Fort Smith, AR	Holtec	Civic Service Meetings
June	TBD	Russelville, AR	Holtec	Civic Service Meetings
June	1	Jackson, WY	GEC	Paid focus group on economic & environmental justice impacts
June	2	Jackson, WY	GEC	Paid Spanish-language community workshop introducing nuclear waste siting
June	3	Denver, CO	Keystone	Meeting of the Tribal Materials Radioactive Committee (TRMTC)
June	3	Jackson, WY	GEC	Paid Spanish-language community workshop introducing nuclear waste siting
June	5	Aiken, SC	Clemson University	Up and Atom: Breakfast Event. Citizens for Nuclear Technology Awareness.
June	6	Dallas, TX	RPI	Aya Symposium - Networking w/TxDOT et. al. for SNF Transport Modeling
June	6-9	Schenectady, NY	RPI	USSEE Conference Panel Session – “Nuclear Tech. as a Nexus of Gov’t, Ind., Acad. and Comm.
June	8	Salt Lake City, UT	NC State	in-person workshop to include technical presentations, lunch, smallgroup break-out sessions,
June	17	Las Vegas, NV	ANS	“Nuclear Waste: The Changing Opportunity” panel session at 2024 American Nuclear Society Annual
June	17 & 19	Las Vegas, NV	Boise State	American Nuclear Society Annual Meeting: 3 panels on consent-based siting
July	TBD	Fort Smith, AR	Holtec	Civic Service Meetings
July	TBD	Russelville, AR	Holtec	Civic Service Meetings
July	TBD	New York, NY	ANS	High School Initiative in Remote Sensing of the Earth Systems Engineering and Sciences (HIRES)
July	TBD	Fort Smith, AR	Holtec	City Council Meetings
July	TBD	Russelville, AR	Holtec	City Council Meetings
July	8-19	Troy, NY	RPI	STEAMM Inventor’s Studio 2-4 hour Exp.
July	16-19	Amsterdam, Netherlands	RPI	EASST-4s Presentation – “Developing a Collaborative Paradigm for Engagement:”
July	17-18	Washington, D.C.	ECA	“Building a Business Case and Identifying Economic Opportunities for Consent-Based Siting”
July	28-31	Troy, NY	RPI	2-week In-Residence Experience for students

July	TBD	Madison, WI	Boise State	Rural Sociological Society Annual Meeting, 1 panel to include work by Common Ground on consent
July - August	TBD	Nashville, TN	Boise State	Vanderbilt University/hybrid. Nuclear Env. Eng & Science Education. Workshop –
August	TBD	Fort Smith, AR	Holtec	City Council Meetings
August	TBD	Russelville, AR	Holtec	City Council Meetings
August	TBD	Fort Smith, AR	Holtec	Civic Service Meetings
August	TBD	Russelville, AR	Holtec	Civic Service Meetings
August	1-8	Troy, NY	RPI	2-week In-Residence Experience for students
August	15-16	Tempe, AZ	ASU	Forum Design Workshop - Integrate findings from dialogues w/ expert perspectives
August	21-31	Syracuse, NY	RPI	The New York State Fair - Sponsoring demonstrations of our CBS efforts
August	24	TBD, IL	NC State	in-person workshop to include technical presentations, lunch, small group break-out sessions,
August - October	TBD	Boise metro, ID; Coeur d’Alene, ID	Boise State	Facilitated public conversations on consent-based siting
September	1-2	Syracuse, NY	RPI	The New York State Fair - Sponsoring demonstrations of our CBS efforts
October	7-10	Idaho Falls, ID	NC State	Pacific Basin Nuclear Conference
November	TBD	Orlando, FL	NC State	American Nuclear Society Conference Presentation
