DISCLAIMER

By submitting a request to be included on the Teaming Partner List, the requesting entity or organization consents to the publication of the information referenced below. By enabling and publishing the Teaming Partner List, the Office of Nuclear Energy is not endorsing, sponsoring, or otherwise evaluating the qualifications of the individuals and organizations that are self-identifying for placement on this Teaming Partner List. The Office of Nuclear Energy will not pay for the provision of any information, nor will it compensate any applicants or requesting organizations for the development of such information. Participation in the Teaming Partner List is voluntary and does not substitute or replace the application requirements described in DE-FOA-0002575.

Teaming Partner Lists

	Organization Name	Contact Name	Contact Address	Contact Email	Contact Phone	Organization type	Area of Expertise
1	Paul Carroll	Paul Carroll	331 Starling Road, Mill Valley, CA 94941	pcbiker3600@gmail.com	415-596-5492		25+ years in government and NGO organizations working on disposition of nuclear materials; Environmental Management at DOE; community involvement and concerns; policy analysis, and communicating issues to public and journalists.
Brief Narrative (up to 3,000 characters, with spaces): I have worked in the federal Department of Energy and Environmental Protection Agency on issues of nuclear waste management as well as public engagement and communications. I spent more than twenty years in the nongovernmental arena working on nuclear weapons-related policy issues which often related to community outreach, environmental and health and safety concerns. I have experience with media interviews and public outreach. I would be interested in being considered as part of a team in this effort.
