Revision 10/25/2022

DISCLAIMER

By submitting a request to be included on the Teaming Partner List, the requesting entity or organization consents to the publication of the above-referenced information. By enabling and publishing the Teaming Partner List, the Office of Nuclear Energy is not endorsing, sponsoring, or otherwise evaluating the qualifications of the individuals and organizations that are self-identifying for placement on this Teaming Partner List. The Office of Nuclear Energy will not pay for the provision of any information, nor will it compensate any applicants or requesting organizations for the development of such information. Participation in the Teaming Partner List is voluntary and does not substitute or replace the application requirements described in DE-FOA-0002575.

Teaming Partner Lists

	Organization Name	Contact Name	Contact Address	Contact Email	Contact Phone	Organization type	Area of Expertise
1	Brief Narrative (up to 3,000 characters, with spaces):
