SELECTED APPLICATIONS FOR DE-FOA-0003548

"Unleashing Tribal Energy Development"

October 2026

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

Table of Contents (Prime Applicants)

Click any name below to jump to its section.

Topic Area 1: Tribal Community Energy Deployment Projects

- Alaska Village Electric Cooperative Inc.
- Alutiiq Tribe of Old Harbor
- Chalkyitsik Village
- Chickasaw Nation
- Choggiung Ltd.
- Hoh Indian Tribe
- Native Village of Diomede
- Native Village of Port Graham
- Navajo Tribal Utility Authority
- Pedro Bay Village
- San Carlos Apache Tribal Council
- Seneca Nation of Indians
- Spirit Lake Tribe

Topic Area 2: Tribal Community Energy Project Planning, Assessment, and Feasibility

- Alaska Federation of Natives, Inc.
- Berry Creek Rancheria of Maidu Indians of California
- Blackfeet Community College
- Caddo Nation of Oklahoma
- Cherokee Nation
- The Chippewa Cree Tribe of the Rocky Boy Reservation
- Chugachmiut
- Colorado River Indian Tribes
- Colusa Indian Community Council

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

- Enterprise Rancheria
- Fort Peck Assiniboine & Sioux Tribes
- Inside Passage Electric Cooperative, Inc./Chilkat Indian Village Tribal Community
- Kiowa Tribe of Oklahoma
- Little Big Horn Community College
- Mashantucket Pequot Tribal Nation
- Metlakatla Indian Community
- Mille Lacs Band of Ojibwe
- Morongo Band of Mission Indians
- Napakiak Environmental & Construction LLC
- Native Village of Port Heiden
- Nenana Native Association
- Oneida Indian Nation
- Osage Nation
- Pawnee Nation of Oklahoma
- Prairie Band Potawatomi Nation
- Tanana Chiefs Conference
- Twenty-Nine Palms Band of Mission Indians

Topic Area 3: Large-Scale Planning, Assessment, and Feasibility for Tribal Energy Projects

- Atautchikun, LLC
- Bear River Band of the Rohnerville Rancheria
- Cape Fox Corporation
- Citizen Potawatomi Nation
- Confederated Tribes of Colville Reservation
- Confederated Tribes of Warm Springs Reservation of Oregon
- Crow Tribe of Indians

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

- Fallon Paiute Shoshone Tribe
- Fort Sill Apache Tribe
- Knik Tribe
- Miami Nation Enterprises
- Morongo Band of Mission Indians
- Navajo Transitional Energy Company, LLC
- Oceti Sakowin Power Authority
- Paskenta Band of Nomlaki Indians
- Pueblo of Jemez
- Qawalangin Tribe of Unalaska
- Quapaw Nation
- Quinault Indian Nation
- San Ildefonso Services LLC
- Southern Ute Indian Tribe
- Tanana Chiefs Conference
- Three Affiliated Tribes

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

Topic Area 1

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

3548-1556

Prime Applicant:	Alaska Village Electric Cooperative Inc.
Project Title:	Noatak Power Plant for Community Energy Development
Location (City, State):	Noatak, Alaska
Federal Funds Requested:	$5,963,578
Total Project Value:	$6,963,578

3548-1529

Prime Applicant:	Alutiiq Tribe of Old Harbor
Project Title:	Old Harbor Hydroelectric Construction Project
Location (City, State):	Old Harbor, Alaska
Federal Funds Requested:	$4,385,849
Total Project Value:	$5,385,849

3548-1613

Prime Applicant:	Chalkyitsik Village
Project Title:	Chalkyitsik Power Plant Installation
Location (City, State):	Chalkyitsik, Alaska
Federal Funds Requested:	$5,823,349
Total Project Value:	$6,470,388

3548-1589

Prime Applicant:	Chickasaw Nation
Project Title:	Resilient and Sustainable Energy for Healthcare
Location (City, State):	Ada, Oklahoma
Federal Funds Requested:	$7,208,465
Total Project Value:	$8,009,406

3548-1534

Prime Applicant:	Choggiung Ltd.
Project Title:	Akerta-Dillingham Project
Location (City, State):	Dillingham, Alaska
Federal Funds Requested:	$7,500,000
Total Project Value:	$8,333,333

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

3548-1591

Prime Applicant:	Hoh Indian Tribe
Project Title:	Hoh Highlands Grid Resilience and Economic Development Project
Location (City, State):	Forks, Washington
Federal Funds Requested:	$7,122,699
Total Project Value:	$7,914,302

3548-1691

Prime Applicant:	Native Village of Diomede
Project Title:	Energy Efficiency Upgrades to New Diomede Native Store
Location (City, State):	Diomede, Alaska
Federal Funds Requested:	$1,100,458
Total Project Value:	$1,225,277

3548-1635

Prime Applicant:	Native Village of Port Graham
Project Title:	Biomass Boilers Heat Loop
Location (City, State):	Port Graham, Alaska
Federal Funds Requested:	$397,385
Total Project Value:	$470,705

3548-1774

Prime Applicant:	Navajo Tribal Utility Authority
Project Title:	Electrification of Homes on the Navajo Nation Project
Location (City, State):	Fort Defiance, Arizona
Federal Funds Requested:	$7,500,000
Total Project Value:	$10,000,000

3548-1652

Prime Applicant:	Pedro Bay Village
Project Title:	Knutson Creek Hydroelectric Project Construction
Location (City, State):	Pedro Bay, Alaska
Federal Funds Requested:	$7,500,000
Total Project Value:	$8,335,000

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

3548-1716

Prime Applicant:	San Carlos Apache Tribal Council
Project Title:	San Carlos Apache Power Resilience Project
Location (City, State):	San Carlos, Arizona
Federal Funds Requested:	$6,740,016
Total Project Value:	$7,490,016

3548-1582

Prime Applicant:	Seneca Nation of Indians
Project Title:	Natural Gas Distribution Expansion--Seneca Nation--Cattaraugus Territory
Location (City, State):	Salamanca, New York
Federal Funds Requested:	$6,712,873
Total Project Value:	$7,458,865

3548-1734

Prime Applicant:	Spirit Lake Tribe
Project Title:	Spirit Lake Tribe Geothermal Project
Location (City, State):	Fort Totten, North Dakota
Federal Funds Requested:	$2,150,451
Total Project Value:	$2,389,391

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

Topic Area 2

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

3548-1608

Prime Applicant:	Alaska Federation of Natives, Inc.
Project Title:	Alaska Statewide Tribal Energy Planning and Feasibility Project
Location (City, State):	Anchorage, Alaska
Federal Funds Requested:	$1,500,000
Total Project Value:	$1,500,000

3548-1522

Prime Applicant:	Berry Creek Rancheria of Maidu Indians of California
Project Title:	Berry Creek Rancheria TUA Feasibility Project
Location (City, State):	Oroville, California
Federal Funds Requested:	$501,215
Total Project Value:	$501,215

3548-1575

Prime Applicant:	Blackfeet Community College
Project Title:	Expanding Blackfeet Energy Workforce Capacity
Location (City, State):	Browning, Montana
Federal Funds Requested:	$821,439
Total Project Value:	$821,439

3548-1783

Prime Applicant:	Caddo Nation of Oklahoma
Project Title:	Caddo Nation Tribal Community Distribution Expansion Development Study
Location (City, State):	Binger, Oklahoma
Federal Funds Requested:	$1,354,663
Total Project Value:	$1,354,663

3548-1705

Prime Applicant:	Cherokee Nation
Project Title:	Integrating and Developing Energy Audits and Standards
Location (City, State):	Tahlequah, Oklahoma
Federal Funds Requested:	$1,500,000
Total Project Value:	$1,500,000

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

3548-1744

Prime Applicant:	The Chippewa Cree Tribe of The Rocky Boy Reservation
Project Title:	Chippewa Cree Tribal Water Project Energy Cost Reduction and Resiliency Feasibility Study
Location (City, State):	Box Elder, Montana
Federal Funds Requested:	$1,100,000
Total Project Value:	$1,100,000

3548-1512

Prime Applicant:	Chugachmiut
Project Title:	Energy Improvements for South Kachemak Bay Alaska
Location (City, State):	Port Graham, Alaska and Nanwalek, Alaska
Federal Funds Requested:	$1,462,176
Total Project Value:	$1,462,176

3548-1764

Prime Applicant:	Colorado River Indian Tribes
Project Title:	CRIT Tribal Grid Access, Energy Policy, and Energy Development Strategy
Location (City, State):	Parker, Arizona
Federal Funds Requested:	$500,000
Total Project Value:	$500,000

3548-1603

Prime Applicant:	Colusa Indian Community Council
Project Title:	Colusa Waste-to-Energy Feasibility Study
Location (City, State):	Colusa, California
Federal Funds Requested:	$201,306
Total Project Value:	$201,306

3548-1588

Prime Applicant:	Enterprise Rancheria
Project Title:	Enterprise Rancheria Iron Oaks Feasibility Project
Location (City, State):	Oroville, California
Federal Funds Requested:	$152,348
Total Project Value:	$152,348

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

3548-1677

Prime Applicant:	Fort Peck Assiniboine & Sioux Tribes
Project Title:	Fort Peck Tribal Energy Capacity Building Project
Location (City, State):	Poplar, Montana
Federal Funds Requested:	$765,955
Total Project Value:	$765,955

3548-1648

Prime Applicant:	Inside Passage Electric Cooperative, Inc./Chilkat Indian Village Tribal Community Energy Storage Joint Venture
Project Title:	Chilkat Valley Battery Energy Storage System 100% Design Project
Location (City, State):	Chilkat Indian Village, Alaska
Federal Funds Requested:	$252,052
Total Project Value:	$252,052

3548-1601

Prime Applicant:	Kiowa Tribe of Oklahoma
Project Title:	Kiowa Tribal Utility Authority Feasibility, Energy Sovereignty, and Community Resiliency Planning Project
Location (City, State):	Carnegie, Oklahoma
Federal Funds Requested:	$1,500,000
Total Project Value:	$1,500,000

3548-1708

Prime Applicant:	Little Big Horn Community College
Project Title:	Energy Capacity Development and Decreased Energy Costs through Strategic Planning, Workforce Development and Training and Weatherization Improvements
Location (City, State):	Crow Agency, Montana
Federal Funds Requested:	$348,662
Total Project Value:	$348,662

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

3548-1747

Prime Applicant:	Mashantucket Pequot Tribal Nation
Project Title:	Mashantucket Pequot Microgrid Engineering Study
Location (City, State):	Mashantucket, Connecticut
Federal Funds Requested:	$378,398
Total Project Value:	$378,398

3548-1641

Prime Applicant:	Metlakatla Indian Community
Project Title:	Metlakatla Power & Light Comprehensive Utility System Assessment and Infrastructure Planning Project
Location (City, State):	Metlakatla, Alaska
Federal Funds Requested:	$866,063
Total Project Value:	$866,063

3548-1687

Prime Applicant:	Mille Lacs Band of Ojibwe
Project Title:	Mille Lacs Band of Ojibwe Tribal Community Energy Planning, Assessment and Feasibility
Location (City, State):	Onamia, Minnesota
Federal Funds Requested:	$708,146
Total Project Value:	$708,146

3548-1536

Prime Applicant:	Morongo Band of Mission Indians
Project Title:	Morongo Tribal Energy Development Project-Topic Area 2
Location (City, State):	Banning, California
Federal Funds Requested:	$387,100
Total Project Value:	$387,100

3548-1754

Prime Applicant:	Napakiak Environmental & Construction LLC
Project Title:	Napakiak Regional Energy Resilience and Feasibility Study
Location (City, State):	Napakiak, Alaska
Federal Funds Requested:	$1,499,514
Total Project Value:	$1,499,514

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

3548-1737

Prime Applicant:	Native Village of Port Heiden
Project Title:	Run-of-River Hydropower Feasibility Study in Port Heiden, Alaska
Location (City, State):	Port Heiden, Alaska
Federal Funds Requested:	$783,174
Total Project Value:	$783,174

3548-1767

Prime Applicant:	Nenana Native Association
Project Title:	Nenana Native Association Pre-Development Assessment
Location (City, State):	Nenana, Alaska
Federal Funds Requested:	$650,000
Total Project Value:	$650,000

3548-1573

Prime Applicant:	Oneida Indian Nation
Project Title:	Oneida Indian Nation Cogeneration Plant Expansion Feasibility and Concept Development
Location (City, State):	Oneida, New York
Federal Funds Requested:	$1,076,350
Total Project Value:	$1,076,350

3548-1743

Prime Applicant:	Osage Nation
Project Title:	Unleashing Tribal Energy Development
Location (City, State):	Pawhuska, Oklahoma
Federal Funds Requested:	$1,498,969
Total Project Value:	$1,498,969

3548-1750

Prime Applicant:	Pawnee Nation of Oklahoma
Project Title:	Pawnee Nation of Oklahoma Community-Scale Microgrid Planning and Design
Location (City, State):	Pawnee, Oklahoma
Federal Funds Requested:	$492,522
Total Project Value:	$492,522

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

3548-1664

Prime Applicant:	Prairie Band Potawatomi Nation
Project Title:	PBPN Rural Tribal Microgrid Readiness and Replication Roadmap
Location (City, State):	Mayetta, Kansas
Federal Funds Requested:	$1,245,238
Total Project Value:	$1,245,238

3548-1598

Prime Applicant:	Tanana Chiefs Conference
Project Title:	Upper Tanana Tribal Intertie Pre-Development Project
Location (City, State):	Tok, Alaska; Tanacross, Alaska; Tetlin, Alaska; and Dot Lake, Alaska
Federal Funds Requested:	$1,143,944
Total Project Value:	$1,143,944

3548-1621

Prime Applicant:	Twenty-Nine Palms Band of Mission Indians
Project Title:	Twenty-Nine Palms Band of Mission Indians: Community Energy Planning
Location (City, State):	Coachella, California
Federal Funds Requested:	$1,285,000
Total Project Value:	$1,285,000

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

Topic Area 3

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

3548-1654

Prime Applicant:	Atautchikun, LLC
Project Title:	Northwest Arctic Kogoluktuk River Hydropower & MVDC Intertie Design
Location (City, State):	Ambler, Alaska; Shungnak, Alaska; and Kobuk, Alaska
Federal Funds Requested:	$2,298,968
Total Project Value:	$2,298,968

3548-1724

Prime Applicant:	Bear River Band of the Rohnerville Rancheria
Project Title:	Unleashing Three Rivers Tribal Energy
Location (City, State):	Loleta, California
Federal Funds Requested:	$1,326,128
Total Project Value:	$1,326,128

3548-1646

Prime Applicant:	Cape Fox Corporation
Project Title:	Mahoney Lake Hydroelectric & Transmission Line Feasibility Project
Location (City, State):	Ketchikan, Alaska
Federal Funds Requested:	$946,450
Total Project Value:	$946,450

3548-1527

Prime Applicant:	Citizen Potawatomi Nation
Project Title:	CPN Data Center Feasibility Study
Location (City, State):	Shawnee, Oklahoma
Federal Funds Requested:	$2,500,000
Total Project Value:	$2,500,000

3548-1777

Prime Applicant:	Confederated Tribes of Colville Reservation
Project Title:	Tribal Grid Access, Energy Policy Framework, and Energy Development Strategy
Location (City, State):	Nespelem, Washington
Federal Funds Requested:	$750,000
Total Project Value:	$750,000

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

3548-1605

Prime Applicant:	Confederated Tribes of Warm Springs Reservation of Oregon
Project Title:	Confederated Tribes of Warm Springs Geothermal Resource Characterization and Confirmation for Regional Baseload Power
Location (City, State):	Warm Springs, Oregon
Federal Funds Requested:	$2,485,823
Total Project Value:	$2,723,073

3548-1680

Prime Applicant:	Crow Tribe of Indians
Project Title:	Energy Resource Assessment to Support Economic Development Planning by the Crow Nation, Montana
Location (City, State):	Crow Agency, Montana
Federal Funds Requested:	$2,500,000
Total Project Value:	$2,500,000

3548-1596

Prime Applicant:	Fallon Paiute Shoshone Tribe
Project Title:	FPST Geothermal Energy Feasibility Project
Location (City, State):	Fallon, Nevada
Federal Funds Requested:	$2,487,187
Total Project Value:	$2,713,964

3548-1751

Prime Applicant:	Fort Sill Apache Tribe
Project Title:	Akela NM Geothermal and Energy Exploration Project
Location (City, State):	Apache, Oklahoma
Federal Funds Requested:	$1,585,985
Total Project Value:	$1,585,985

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

3548-1528

Prime Applicant:	Knik Tribe
Project Title:	The Potential to Disentangle the Susitna Dam Project from Salmon Impacts Through Salmon Rehabilitation
Location (City, State):	Palmer, Alaska
Federal Funds Requested:	$803,794
Total Project Value:	$803,794

3548-1558

Prime Applicant:	Miami Nation Enterprises
Project Title:	Miami Nation Enterprise Power and Digital Infrastructure Development Project
Location (City, State):	Miami, Oklahoma
Federal Funds Requested:	$1,894,255
Total Project Value:	$1,894,255

3548-1537

Prime Applicant:	Morongo Band of Mission Indians
Project Title:	Morongo Tribal Energy Development Project- Topic Area 3
Location (City, State):	Banning, California
Federal Funds Requested:	$1,889,410
Total Project Value:	$1,889,410

3548-1729

Prime Applicant:	Navajo Transitional Energy Company, LLC
Project Title:	NavEnergy 500 kV Transmission Project: Large-Scale Feasibility and Front-End Engineering Design (FEED) Study
Location (City, State):	Farmington, New Mexico
Federal Funds Requested:	$2,498,170
Total Project Value:	$2,498,170

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

3548-1564

Prime Applicant:	Oceti Sakowin Power Authority
Project Title:	Geothermal Resource Evaluation on Pine Ridge Reservation
Location (City, State):	Pine Ridge, South Dakota
Federal Funds Requested:	$1,389,343
Total Project Value:	$1,389,343

3548-1722

Prime Applicant:	Paskenta Band of Nomlaki Indians
Project Title:	Large-Scale Energy Planning and Feasibility to Support Commercial Load Growth on Reservation
Location (City, State):	Corning, California
Federal Funds Requested:	$1,921,411
Total Project Value:	$1,921,411

3548-1732

Prime Applicant:	Pueblo of Jemez
Project Title:	SPRING - Subsurface Prospecting for Reliable Geothermal Systems
Location (City, State):	Jemez Pueblo, New Mexico
Federal Funds Requested:	$1,815,107
Total Project Value:	$1,815,107

3548-1788

Prime Applicant:	Qawalangin Tribe of Unalaska
Project Title:	Phase I: Airborne Geophysical and Geodetic Exploration of New Hotspots surrounding the City of Unalaska, Alaska for Geothermal Energy Resources
Location (City, State):	Unalaska, Alaska
Federal Funds Requested:	$2,500,000
Total Project Value:	$2,500,000

3548-1728

Prime Applicant:	Quapaw Nation
Project Title:	Tar Creek Critical Minerals and Materials Development Readiness Initiative
Location (City, State):	Quapaw, Oklahoma
Federal Funds Requested:	$2,500,000
Total Project Value:	$2,500,000

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.

3548-1640

Prime Applicant:	Quinault Indian Nation
Project Title:	QIN Commercial Energy Development Project: Natural Gas Power Plant Feasibility Study and 30% Design
Location (City, State):	Taholah, Washington
Federal Funds Requested:	$1,309,455
Total Project Value:	$1,309,455

3548-1584

Prime Applicant:	San Ildefonso Services, LLC
Project Title:	Feasibility study for a Geothermal Power Plant at the Pueblo de San Ildefonso, New Mexico
Location (City, State):	Santa Fe, New Mexico
Federal Funds Requested:	$1,375,655
Total Project Value:	$1,725,243

3548-1644

Prime Applicant:	Southern Ute Indian Tribe
Project Title:	Lake Nighthorse Water Conveyance
Location (City, State):	Ignacio, Colorado
Federal Funds Requested:	$1,350,000
Total Project Value:	$1,350,000

3548-1520

Prime Applicant:	Tanana Chiefs Conference
Project Title:	Hydrothermal Exploration and Analysis for Tribal (HEAT) Energy Security
Location (City, State):	Fairbanks, Alaska
Federal Funds Requested:	$2,500,000
Total Project Value:	$2,500,000

3548-1629

Prime Applicant:	Three Affiliated Tribes
Project Title:	Three Affiliated Tribes Data Center Feasibility Study
Location (City, State):	New Town, North Dakota
Federal Funds Requested:	$2,500,000
Total Project Value:	$2,500,000

The project details summarized in this document are derived from application materials and are subject to change pending finalization of formal financial assistance agreements.
