The background of the page features a large, light-colored watermark of the U.S. Department of Energy seal. The seal is circular and contains an eagle with its wings spread, perched atop a shield. The shield is divided into four quadrants, each containing a different symbol: a sun, a gear, a lightning bolt, and a wind turbine. The text "DEPARTMENT OF ENERGY" is written in a circular path around the top, and "UNITED STATES OF AMERICA" is written around the bottom. The year "1949" is also visible at the bottom of the seal.
