date: April 9, 2020
subject: Ex parte Communication; Docket No. EERE-2018-BT-STD-0005

This memo memorializes the meeting between the Association of Home Appliance Manufacturers (AHAM) and the Department of Energy on April 9, 2020 for inclusion in the public docket. In summary we discussed AHAM's objection to DOE's proposal to create a new product class for dishwashers with normal cycles under one hour. *See* Energy Conservation Standards for Dishwashers, Grant of Petition for Rulemaking, Proposed Rule, Docket No. EERE-2018-BT-STD-0005; RIN 1904-AE35; 84 Fed. Reg. 33869 (July 16, 2019).

The attendees were as follows:

Lysia Bowling, DOE
Daniel Cohen, DOE
Alex Fitzsimmons, DOE
Daniel Simmons, DOE
Jennifer Cleary, AHAM
