date: February 25, 2021
subject: Ex parte Communication; Appliance Standards Program

This memo memorializes the meeting between the Association of Home Appliance Manufacturers (AHAM) and the Department of Energy February 19, 2021, for inclusion in the public docket. In summary, we discussed the following topics:

- Introduction to AHAM;
- Product classes for laundry products (Docket No. EERE-2020-BT-STD-0001) and dishwashers (Docket No. EERE-2018-BT-STD-0005);
- The Process Rule (Docket No. EERE-2017-BT-STD-0062);
- The Interim Waiver Rule (Docket No. EERE-2019-BT-NOA-0011);
- AHAM's work, in partnership with DOE and efficiency advocates, on the cooktop and oven test procedures (RIN 1904-AE36)

The attendees were as follows:

Dr. Kathleen Hogan, DOE
John Cymbalsky, DOE
Ami Grace-Tardi, DOE
Todd Kim, DOE
Jacob Smith, DOE
Narayan Subramanian, DOE

Joseph McGuire, AHAM
Jennifer Cleary, AHAM
Kevin Messner, AHAM
Chuck Samuels, Mintz/AHAM legal counsel
