RE: Ex parte communication of the California Energy Commission
Docket No. EERE-2008-BT-STD-0005

To Whom It May Concern,

On January 6, 2011, Mike Leao, Harinder Singh, Ken Rider, and Dennis Beck of the California Energy Commission (CEC) had a telephone conversation with Victor Petrolati of DOE regarding the above referenced proceeding, concerning energy conservation standards for battery chargers and Class A external power supplies.

The purpose of the meeting was for CEC and DOE staff to update each other on the status of the respective rulemaking activities on the state and federal levels regarding battery chargers, including this proceeding; DOE's proceeding to adopt test procedures for battery chargers and Class A external power supplies (Docket No. EERE-BT-TP-0019); and CEC's proceeding regarding efficiency standards for battery chargers (CEC Docket No. 09-AAER-2).

Sincerely,

A handwritten signature in black ink, appearing to read "Dennis L. Beck, Jr.", written in a cursive style.

DENNIS L. BECK, JR.
